Louisiana College Profile

THE IDENTITY, HISTORY AND MISSION OF LOUISIANA COLLEGE

Identity

Louisiana College is a private, Baptist, coeducational college of liberal arts and sciences with selected professional programs. The campus is located in the Alexandria-Pineville area of central Louisiana. Separate accreditation for specific programs has been awarded by the Association of Collegiate Business Schools and Programs, Louisiana State Department of Education, Council on Social Work Education, the Commission on Collegiate Nursing Education, the Louisiana State Board of Nursing, and the Commission on Accreditation in Physical Therapy Education, and the National Association of Schools of Music.

The College is located on an 81-acre campus with a total of twenty-three academic and residential buildings. Most of the students at Louisiana College come from Central Louisiana, but many states and several foreign countries are represented in the current student body. The faculty and staff of Louisiana College genuinely care for the students. Their primary concern is to enhance student learning and to encourage the student's Christian growth. The College was chartered in 1906 as a non-profit corporation with the object "to own, operate and conduct a Baptist college, to foster Christian education." It is governed by a Board of Trustees which is chosen by the Louisiana Baptist Convention.

History

Louisiana College was founded in Pineville, Louisiana on October 3, 1906. It is the successor to two earlier Louisiana Baptist schools, Mt. Lebanon University and Keatchie Female College. The first, a men's school founded in 1852 by the North Louisiana Baptist Convention, was located in the community of Mt. Lebanon. The women's college, founded in 1857 by the Grand Cane Association of Baptist Churches, was located in the community of Keatchie. After a history beset by financial difficulties, both schools came under control of the State Baptist Convention in 1899. An Education Commission was selected by the state convention to administer the schools with the understanding that both would be succeeded by a more centrally located college as soon as a suitable campus could be selected. When Louisiana College was opened in 1906, Mt. Lebanon College was closed, followed by Keatchie a few years later. The enrollment of students in 1906 at the opening of the college was 19. Today, more than 12,000 have been graduated since the college was founded. Louisiana College was administered by the Education Commission until 1921, when the commission was replaced by a Board of Trustees as called for in a new charter. The first administrative head of Louisiana College was W.F. Taylor, whose title was chairman of the faculty. Since its opening, Louisiana College has had eight presidents: Dr. E.O. Ware, appointed in 1908; Dr. W.C. Friley, in 1909; Dr. Claybrook Cottingham, in 1910; Dr. Edgar Godbold, in 1941; Dr. G. Earl Guinn, in 1951; Dr. Robert L. Lynn, in 1975; Dr. Rory Lee, in 1997; and Joe W. Aguilard, in 2005 and our current President, Dr. Rick Brewer in 2015.

MISSION

The mission of Louisiana College is to provide liberal arts, professional, and graduate programs characterized by devotion to the preeminence of the Lord Jesus, allegiance to the authority of the Holy Scriptures, dedication to academic excellence for the glory of God, and commitment to change the world for Christ by the power of the Holy Spirit.

BELIEFS AND VALUES

The foundation for the College's mission and policies is a shared set of beliefs and values that reflect its Louisiana Baptist heritage. The College's doctrinal statement, which provides the guiding principles for maintaining the College's Christian identity, is the Baptist Faith and Message. Through our doctrinal statement, we "identify and affirm certain definite doctrines that Baptists believe, cherish, and with which we have been and now are closely identified. Our living faith is established upon eternal truths. Thus this generation of Southern Baptists is in historic succession of intent and purpose as it endeavors to state for its time and theological climate those articles of the Christian faith that are most surely held among us. It is the purpose of this doctrinal statement of faith to set forth certain teachings which we believe (The Baptist Faith and Message). The College recruits faculty and staff who are committed followers of Christ, who participate actively in a local church, and who are aware of and will teach or perform professionally in harmony with the doctrinal statement. The College also expects and supports the pursuit of the highest level of Christian values in the lives of faculty, staff, administration, trustees, and students.

Louisiana College seeks to create a community of learning and free inquiry. However, the college recognizes that Christian education maintains a proper balance between academic freedom and academic responsibility. The academic freedom of a Christian professor is limited by the preeminence of Jesus Christ, the authoritative nature of the Holy Scriptures, and the mission of the institution.

The partnership between Louisiana College and the Baptist churches, associations, and convention within the state constitutes one of the major strengths of the college. Louisiana College deeply values its relationship with Louisiana Baptists, whose generosity allows the college to offer quality liberal arts education at an affordable cost to its students. In recognition of these substantial resources, the college seeks to prepare students who are entering various vocations to assume leadership roles in churches and in denominational life. Because Louisiana College honors its Baptist heritage and acknowledges its great debt to Louisiana Baptist churches for the generous gifts that enable the college to operate, the college only employs faculty who teach courses in the Christian Studies Division who are committed Southern Baptists who document through their annual contracts their personal affirmation of and agreement with The Baptist Faith and Message. They also affirm biblical inerrancy as defined by the Chicago Statement on Biblical Inerrancy.

The College affirms the value of diversity within the Christian community and attracts students from a variety of denominations. The presence of dedicated Christian faculty and staff members from other Christian denominations affirms the faith of these students from other traditions and provides spiritual mentorship for them. Students without a Christian faith commitment are welcome in this community of learning and are treated with respect.

BIBLICAL DESIGN FOR HUMAN SEXUALITY

We believe that all people should be treated with dignity, grace, and holy love, whatever their sexual beliefs. Sexuality is one of the ways by which the marriage covenant between a husband and a wife is sealed and expressed. Marriage is God's unique gift to reveal the union between Christ and His church and to provide for the man and the woman in marriage in the framework for intimate companionship, the channel of sexual expression according to biblical standards, and the means for procreation of the human race. It is important to note that Christian teaching on marriage and sexuality is in the narrative of all Scripture – from Genesis to Revelation. Marriage, gender and sexuality are not just appendages tacked onto Scripture, but are icons of the Gospel and human flourishing (Matthew 19:4-6; Ephesians 5:22-33; Hebrews 13:4). Sex misses its purpose when treated as an end in itself or when cheapened by using another person to satisfy pornographic and sinful sexual interests. We view all forms of sexual intimacy that occur outside the covenant of heterosexual marriage, even when consensual, as distortions of the holiness and beauty God intended for it.

Therefore, we support the sanctity of marriage (Ephesians 5, Hebrews 13:4). We define marriage as being a covenant between one man and one woman (Gen. 2:21-24; Matt. 19:4-5). We believe in honoring the holy sexual union within the context of that covenant (Hebrews 13:4). Believing that God redeems and restores through life in Christ, we walk alongside those that are seeking to overcome sexual sin (Romans 6-8; Galatians 6:2). As followers of Christ, we turn from sexual immorality in its many forms including but not limited to: pornography, pre-marital sexual relations, adultery, and same sex romantic intimacy and/or sexual relations. We come alongside those experiencing same sex attractions who choose to honor Christ by not pursuing those attractions, just as we come alongside all individuals who seek to live in purity before the Lord (Col. 3:5; Gal. 5:19-21; Rom. 1:21-27; 1 Cor. 6:9-10). We believe we are created by God in His image as two distinct sexes: male and female (Gen. 1:26-28; Matt. 19:4-5). We believe that each person glorifies God and affirms His infinite holiness and wisdom by living in alignment with his or her birth sex. While we acknowledge there may be confusion and brokenness for some individuals in this area, we do not affirm or support transgender identity or expression. Instead, we place our faith and trust in God's redemptive plan.

THE CENTRAL CURRICULUM

The Central Curriculum creates a common educational experience that provides a broad foundation for lifelong learning within a biblical worldview for all Louisiana College students. Students who complete the Central Core Curriculum will acquire knowledge of human cultures and the physical and natural world, demonstrate a foundation for intellectual and practical skills, and engage in personal and social responsibility.

After completing the Central Core Curriculum courses of study, students' acquired knowledge of human cultures and of the physical and natural world will enable them to:

- Demonstrate knowledge of the Bible's content and basic Christian doctrines that enable the student to explain a reasoned basis for a commitment to Jesus Christ.
- Demonstrate knowledge of world civilization, cultural diversity, human social behavior, language, literature, and science.
- Recognize artistic elements (such as creativity, beauty, performance) and the cultural significance of the fine arts.

The foundation of intellectual and practical skills obtained during the Central Core Curriculum courses will enable students to:

- Demonstrate competency in written, oral, and technological communication skills
- Demonstrate an ability to utilize a variety of critical thinking approaches to problem solving.

The Central Core Curriculum courses' focus on personal and social responsibility will require students to:

- Acquire and apply biblical principles in making value judgments and personal decisions.
- Participate in service projects, organizations, athletics, or extracurricular activities to improve overall well-being.
- Accept cultural diversity with respect and compassion, and demonstrate an understanding of global interdependence and responsibility.

The Central Core Curriculum student learning outcomes are assessed on an annual basis by faculty members from across the institution. This assessment helps to ensure an appropriate number of central core curriculum hours and seeks to demonstrate that the curriculum is accomplishing its stated objectives.

VISION AND STRATEGIC PLANNING

Louisiana College aspires to be a preeminent College of liberal arts and sciences with selected professional programs. To obtain preeminence, the College will focus on increasing student enrollment through emphasis on quality higher education from a Christian perspective. Evidence of the accomplishment of this vision will be recognition by regional and national organizations.

The long-term strategic goals of Louisiana College are designed to enhance an environment which encourages students to acquire a broad knowledge and understanding in the areas of the humanities, the natural sciences, and the social sciences, and to develop skills basic to a chosen profession.

The College Planning Committee is responsible for monitoring the planning and evaluation processes to ensure that strategic goals are established and those financial and physical resources are adequate and appropriate to meet the stated purpose of the College.

The Louisiana College Connection provides an ongoing process of orientation to facilitate the adjustment of incoming freshman. The program provides services to maximize student success in the total college experience and activities are designed to enhance the growth and development of students during their freshman year. Sessions held prior to registration focus on information concerning systems serving students in the academic realm, academic advising, and registration process.

All students who have completed 18 or fewer semester hours must register for CC 100, Louisiana College Connection, during their first semester at Louisiana College. The course is taught by faculty members. Each faculty member is assisted by an upperclassman student/Ambassador. The classes are limited to 20 freshman students per session. This course familiarizes students with the college's expectations, aids them in individual assessment, and helps them develop skills for college success.

Academic Matters

ACADEMIC POLICIES

The **Registrar's Office** serves as the primary resource on academic regulations. Contained in the online **Louisiana College Catalog** are complete requirements for admissions, available plans of study, class attendance policy, grading system, expenses, and courses of instruction. The following sections provide information on the most frequently asked questions regarding Academic Affairs. **It is the responsibility of each student to be thoroughly familiar with academic policies, procedures, and requirements as presented in the *College Catalog* as well as the *Student Handbook*.**

The faculty of Louisiana College seeks to foster an environment in which students grow to maturity spiritually, intellectually and physically. As a community of learning and free inquiry whose academic program is presented from a Christian perspective, the college maintains those distinctions envisioned by its founders and reaffirmed by succeeding generations of students, faculty, administrators and trustees to whom the work of the college is entrusted. To preserve for its graduates these distinctions, the faculty has designed programs of study which include experiences in general education as well as proficiency in some particular area of knowledge.

BRIDGE PROGRAM

Louisiana College's Bridge Program provides remediation in English and Mathematics alongside Learning Strategies/Study Skills classes. Incoming students who score a 17 or under on English ACT and 18 or under in Math ACT are required to complete the College's Bridge Program. Classes are offered during the Summer, Fall and Spring semesters.

Students will have three consecutive attempts to successfully complete the college's Bridge Program provided the first attempt occurs in the summer session prior to immediately matriculating at Louisiana College for the following fall semester.

Students whose first attempt begins in the fall semester will be offered only one subsequent attempt in the immediately following spring semester. There will be no third attempt offered to students who began the program in any fall semester.

Opportunity Program: The student must have a minimum composite ACT score of 15 or 16 to be eligible for the Opportunity Program. The student must take LC's Bridge classes. The OP-IN students must complete The Summer Bridge Program with a passing grade to attend in the Fall. Students must earn a "C" (70%) or above to pass

Summer Course Credit

Students may request permission to earn credit (hours only) at approved out-of-town institutions (institutions farther than 50 miles from LC) when LC's fall and spring semesters are not in session. During the summer sessions, if the course is offered online through LC, the student may not take the course at another institution. Local resident students must attend LC and enroll in LC's courses unless a student has extenuating circumstances. In such cases, the student must submit a letter of petition to the Vice President for Academic affairs.

GRADUATION CHECKLIST for all baccalaureate degrees:

- Earned at least 127 semester hours of credit, 42 of which must be on the junior-senior level.
- Earned a cumulative grade point average of at least 2.0 overall.
- Earned at least a "C" in each course of their major field of study.

- Earned a minimum grade-point-average of 2.25 in their major field of study.
- Taken all the courses of the Central Curriculum.
- Completed a major and a minor or a concentration selected from those described in the catalog or individually designed by the student.
- Completed 30 of the last 36 semester hours of course work at Louisiana College.
- Earned at least 25 percent of credit applied toward the degree through instruction offered by Louisiana College.
- Complete Spiritual and Cultural Enrichment requirements.
- Satisfy all financial obligations.

Some programs of study have additional requirements which must be completed to receive a degree. Those requirements are noted in the section of the online LC Catalog where the program is described.

Application for graduation from Louisiana College must be made one year prior to graduation. Students may obtain graduation applications from the Registrar's Office.

Please note that qualifications and further clarification of these requirements appear in various sections of the LC Catalog.

Details for requirements for the Associate of Applied Science and Masters of Arts in Teaching are in the LC Catalog online. Further information may be obtained from the Registrar's Office.

HOURS IN RESIDENCE

At least twenty five percent (25%) of credit applied toward a degree must be earned through instruction offered by Louisiana College. Thirty (30) hours of the last thirty six (36) hours in a bachelor's degree program must be completed at Louisiana College.

All students must complete 30 hours of the last 36 hours at Louisiana College and at least six of these hours must be from upper level courses in their major subject. In addition, the minor program must be approved by the appropriate division chairperson. Students who transfer from a two-year institution must complete at least 61 hours at Louisiana College.

ACADEMIC ADVISING

Each student is assigned to a faculty member who assists in planning his program of study. Once a major has been declared, advising is coordinated by the dean, chair, or coordinator in the major field. Academic Advising is a cornerstone of student success. Without proper advising, students may fail to accomplish expected student learning outcomes for their chosen degree. Proper academic advising enhances student retention rates and student success.

Students deserve the best academic advising available to them for their chosen major. To that end, only teaching faculty within the student's chosen discipline will provide academic advising. If a student has not declared a major, a faculty member designated as an advisor for undeclared majors will advise the student.

Only teaching faculty within the department of the student's chosen major will provide academic advising. *(For further guidelines, see the online Louisiana College Catalog)*

Academic Advising is scheduled mid-semester. Please look at the school calendar for dates. Sign up for an advising appointment is important. Sign-up sheets are usually on your advisors door or in the hall outside of the department of your major. In addition to academic advising, sessions of personal counseling and guidance are available through Student Life..

CLASS ATTENDANCE

Louisiana College acknowledges the relation between attendance, student retention, and student achievement and recognizes that attendance is both an obligation and a privilege. Participation should be consistent and punctual. To obtain credit for the course, a student must attend at least 75% of the class sessions.

An absence is defined as nonattendance for any reason, including illness, family emergency, or college-related activity. Cancelled class sessions are not included. When a student registers late, or adds a course after the first class session, the missed class sessions will be counted as absences. Two separate occurrences of tardiness will count as one absence.

The student is expected to notify the instructor if a class session will be missed and is responsible for any information, activities, evaluations, or assignments missed because of the absence. The make-up policy will be determined by the instructor and will be clearly defined in the course syllabus. The instructor may use attendance in calculating course grades, and this will be defined and documented in the course syllabus.

Instructors are required to monitor attendance, keep accurate records, and complete required reports regarding attendance. The names of students who miss three consecutive class sessions will be reported to the Registrar's office.

Instructors will complete the Absence and Deficiency Report each semester, reporting any grades of D or F, and excessive absences for each course taught. For classes meeting three times a week, four (4) absences are considered excessive. For classes meeting twice a week, three (3) absences are considered excessive.

In an online course, the instructor will define the amount and frequency of interaction between the students and the learning management system. Students are required to interact in some manner during the first five calendar days after the drop/add date. See Distance Education Manual for more details on attendance in online course. See The Graduate Catalog for details on attendance in graduate courses.

GRADING SYSTEM

Louisiana College employs a 4-point grading system with the standard marks, "A," "B," "C," "D" and "F". A WIP designates a work-in-progress during the semester, but is not recognized as a grade.

Additional considerations of importance are as follows:

Students who withdraw from a course after the end of late registration through the ninth week will receive a "W."

Students who withdraw after the ninth week through the 14th week will receive: "WP" if passing at the time of withdrawal. "WF" if failing at the time of withdrawal. (A grade of "WF" has the same effect as an "F" on GPA calculations).

For courses which are not of normal semester length, the department will specify the last day to withdraw with a "W" (approximately 60% of the course length) and the last day to withdraw with a "WP" or "WF" (approximately 90% of the course length).

A student may not use the withdrawal process to avoid an "F" that is given for violations of the Code of Academic Integrity, serious misconduct as specified in departmental documents, or an FA (Failure due to Absences).

Students may receive a temporary grade of “I” for a course they are unable, for acceptable reasons, to complete, but wish to complete. See the Incomplete Grade policy that follows.

See the Graduate Catalog for adding and dropping course information.

Grade Points and Grade Point Average

Grade points are awarded for each semester hour earned as follows:

A	–	4 grade points
B	–	3 grade points
C	–	2 grade points
D	–	1 grade point
No grade points for any other grade		

For example, students who makes a “B” in a 3-hour course earn 9 grade points. Student grade point average (GPA) is calculated by dividing the number of grade points earned by the number of semester hours attempted. For example, students who have earned 42 grade points while attempting 12 hours have a GPA of 3.50.

INCOMPLETE GRADES

If students are prevented from completing a course by circumstances beyond their control, a grade of “I” may be requested. Students may receive the grade of “I” provided they have attended 75 percent of the total number of class sessions, are passing the course, and are prevented from completing the course before the last day of the semester by a documented, extenuating circumstance beyond his/her control, such as deployment, natural disaster, medical illness or surgery, family emergency, death in the immediate family, or job relocation. Failing to attend class or turn in required course work does not meet the qualifications of an extenuating circumstance. The student must provide relevant support documentation, substantiating the stated circumstance, and the student must provide documentation from the instructor for attendance and grade. Students must submit a written request asking the instructor to report an “incomplete.”

To deal honestly and fairly with students, incompletes should only be assigned to students who qualify for the extended time and should not be administered to prevent a student from receiving a failing grade or to allow the student more time to pass the course. An “incomplete” may not be given merely because students fail to complete all course requirements on time, nor is it an option that may be elected at their own discretion. It is a student’s responsibility to make specific arrangements with their instructors to complete the course work.

Students who are granted “incompletes” have until the date set by the instructor (but not later than the final class day of the next regular semester from the end of the term in which the course was taken) to complete the remaining course requirements. Any incomplete grade not removed by the date set by the instructor (but not later than the final class day of the next regular semester from the end of the term in which the course was taken) will automatically become an “F”.

REPEATING COURSES

Students may repeat courses but will receive credit only once toward fulfillment of requirements for a degree. A student may have the prior grade removed from the cumulative GPA if the following guidelines are met:

1. Courses in which the student earned a grade of D, F, or WF may be repeated and have the prior grade removed from the cumulative GPA. Courses repeated under this policy must be repeated at Louisiana College.

2. If a course is repeated at Louisiana College that was originally taken at another college, the student must notify the Registrar's office and complete a Repeat Form. This must be done at the time of registration or not later than the last day of late registration
3. If the course being repeated was originally taken at Louisiana College, a Repeat Form is not necessary. The grade received when repeated will automatically be recorded and the previous grade will be removed from the cumulative GPA. The prior grade will be removed from computation of the cumulative GPA, but the course name and original grade will remain on the transcript.

See The Graduate Catalog for details on the required GPA for graduate programs and repeating grades.

DROPPING AND ADDING COURSES

During the late registration period, students may alter their schedule by adding or dropping courses. Students' schedules become official at the end of this period and no additional changes are allowed.

From the end of the late registration period through the 14th week of the semester, students may withdraw from classes. See the section on Grading System for an explanation of the grades that may be received upon withdrawing from a course. Consult the official calendar for the deadlines for withdrawing with these grades. Deadlines for the summer terms are also noted in the calendar.

After the 14th week of the semester, a student may not withdraw from a course except with the permission of the vice president for academic affairs. Such permission is only granted in extraordinary circumstances.

A student may not use the drop process to avoid an "F" that is given for violations of the Code of Academic Integrity, serious misconduct as specified in departmental documents, or an FA (Failure due to absences).

All changes in a student's schedule must be processed through the registrar's office to be official. The necessary forms are available from the registrar's office.

See The Graduate Catalog for details and timeline for adding and dropping graduate courses.

PRE-REGISTRATION

The college offers currently enrolled students an opportunity to schedule classes for the upcoming fall or spring semester during preregistration. By participating in preregistration, students can possibly avoid problems of closed classes that are typical of regular registration. New students or students who do not pre-register may register for classes at the regularly scheduled registration period just prior to the beginning of semester classes.

Dates, times, and instructions for pre-registration, registration and late registration are included in the schedule of classes and registration information. Students of junior or senior standing are required to have declared a major in the Registrar's Office prior to registration.

PROVISION ADMITS SECTION:

Students admitted on provisional status must meet the following requirements:

1. They must register for no more than 14 hours for the semester, with any registration above 12 hours limited to one hour courses such as [CC 100 College Connection](#), [MU 197/MU 198](#) and/or physical education activity courses. In addition, provisionally admitted students must enroll in an English and Math course.
2. Must participate in the Academic Counseling Program.

3. Transfer students must present a 2.0 cumulative grade point average at the conclusion of the semester to achieve degree-seeking status, or they may continue on provisional status only after demonstrating academic progress (earn a minimum 2.0 GPA during a semester).
4. First-time freshmen and non-traditional students must present a 2.0 cumulative grade point average at the conclusion of the semester to achieve degree-seeking status or they may continue on provisional status for an additional semester. These students must earn a 2.0 grade point average for the second semester in order to raise their cumulative grade point average to the required level for their classification.
5. Students provisionally admitted to Louisiana College will be required to take English 091 during their first semester of enrollment if their ACT English Score is 17 or below in accordance with the following policy:
EN091: A review of the fundamentals of English grammar and usage. Students who have a score of seventeen (17) or below on the ACT Assessment Exam or an equivalent score on the SAT Assessment Exam in English shall enroll in English 091 and complete the course during the first semester of their Freshman year and prior to taking EN 101. Students are not permitted to withdraw from the course. If a student fails EN 091, the student must repeat the course the following semester. If an approved placement exam is offered, a satisfactory score may supersede this policy. English Fundamentals may not be transferred to Louisiana College from another college. Students are limited to enrolling and attempting the course two times. Please see the online College Catalog for more details.

ACADEMIC STANDING SCHOLASTIC PROBATION AND SUSPENSION

Students who are permitted to enroll in Louisiana College are considered to be in good academic standing. Freshmen who fail to earn and maintain a 1.5 cumulative grade point average, sophomores who fail to maintain a 1.75 cumulative grade point average, and juniors and seniors who fail to maintain a 2.0 cumulative grade point average will be placed on probation. Grade point average and classification will be based on hours attempted. This policy applies to all full-time or part-time students.

Students on probation will be required to participate in the Academic Counseling Program (see full description of the program below). In order to be removed from probation, they must earn the required cumulative GPA for their classification. Students who fail to earn the required cumulative GPA may continue on probation so long as they demonstrate minimum academic progress (earn a minimum 2.0 GPA during a semester). Those who fail to earn the required cumulative GPA and also fail to earn a minimum 2.0 GPA during the probationary semester will be considered not in good academic standing and will be ineligible to return to Louisiana College for one semester. Please Contact the Registrar's Office for more information.

THE ACADEMIC COUNSELING PROGRAM

The Academic Counseling Program, a program designed to help students achieve academic success, requires students to meet regularly throughout the semester (at least once each month) with their faculty advisors and to meet with the Coordinator of the Academic Counseling Program at the beginning of each semester as a condition to their continued enrollment. Students admitted to the Academic Counseling Program will be permitted to continue in the program so long as they meet all the requirements for their probationary or provisional status. Students who meet the requirements for their probationary or provisional status but fail to participate in the required counseling program must petition the Admissions and Retention Committee in order to be allowed to continue at Louisiana College.

CREDIT EARNED WHILE ON SUSPENSION

Credit earned while on suspension from any college (including LC) will not be accepted toward a degree.

APPEAL OF ACADEMIC INELIGIBILITY TO RETURN

Students who believe that special circumstances warrant an exception to any academic policy that classifies them as ineligible to return to Louisiana College may file a written appeal with the Admissions Committee. The appeal should be in the form of a letter submitted to the committee through the Coordinator of the Academic Counseling Program explaining the situation and providing documentation of the extenuating circumstances. The appeal must be filed at least seven calendar days prior to the beginning of the semester or summer term in which the student wishes to enroll. The Admissions Committee makes final decisions on such appeals.

CAMPUS-WIDE TUTORING

The Writing Center, located in Alexandria Hall Room 304, is a free academic support service sponsored through the Humanities Division that allows students to work one-on-one with trained assistants on any aspect of their writing project. For additional information, please visit the webpage or call 318-487-7160.

The Mathematics Lab: Free math tutoring for students is available in Room 204 of Cavanaugh Hall for fall and spring semesters. Tutors are Mathematics or Mathematics Education majors. A schedule is posted in Cavanaugh Hall each semester.

Free tutoring in Chemistry, Biology, or Physics is also available by appointment for the fall and spring semesters. Tutors are upper-level Science majors. Students who are interested in tutoring should contact the instructor or the Division Chair. Regular hours for Chemistry tutoring are also available in Room 117 of Cavanaugh Hall, with the schedule posted each semester in Cavanaugh Hall.

Limited individualized tutoring in various academic subjects is offered to LC students during the fall and spring semesters in the Academic Resource Center. For details about the current semester's subject areas and times of tutoring, please contact the PASS Director at 487-7629.

AUDIO RECORDING OF CLASSROOM LECTURES

Faculty and students are expected to enhance learning environment by addressing all learning styles as appropriate. Thus, the audio recording of classroom lectures is both permitted and encouraged as one method of improving student achievement.

DISTANCE EDUCATION

Per the Southern Association of Colleges and Schools Commission on Colleges distance and correspondence education policy statement, distance education (online learning) is defined as follows:

"Distance education is a formal educational process in which the majority of the instruction (interaction between students and instructors and among students) in a course occurs when students and instructors are not in the same place. Instruction may be synchronous or asynchronous. A distance education course may use the internet; one-way and two-way transmissions through open broadcast, closed circuit, cable, microwave, broadband lines, fiber optics, satellite, or wireless communication devices; audio conferencing; or video cassettes, DVD's and CD-ROMs if used as part of the distance learning course program."

As part of its mission to cultivate academic excellence in learning, Louisiana College offers both courses and degree programs in which the majority of the instructional interaction occurs when the student and instructor are separated geographically. LC's online courses and degree programs are designed for working professionals and those with busy schedules who might otherwise be unable to enroll in traditional face-to-face courses. Online courses are ideal for working professionals, military personnel, people with disabilities, dual enrolled students, and homeschooled students. Many degree programs and courses are offered at various start times throughout the

year. However, the courses are not self-paced, and all of the course activities, assignments, group projects, and exams must be completed by specific due dates. Online courses are challenging and require as much time and effort as on-campus classes; however, students have the ability to work according to their own schedules and are not required to come to campus as frequently.

A typical online student is a working adult who is managing a student career, work career, and family and is taking online courses to complete an education or for career enhancement. Given this profile, the online learner is usually mature, independent, self-motivated, and possesses self-discipline, strong time management skills, organizational skills, and the ability to learn independently. These qualities are important for success in an online course since there are few face-to-face encounters with the instructor.

Typically, LC's traditional students who are enrolled in face-to-face courses are not permitted to enroll in online courses during the fall and spring semesters. **Freshmen are particularly prohibited from enrolling in online courses.** If a student has an extenuating circumstance, he/she may request permission to enroll in an online course from the Dean and/or Division Chair who supervises the student's degree program. Students will not be permitted to enroll in online courses unless not doing so will prevent the student's graduation. If a traditional face-to-face course will work in the student's schedule, the student will not be permitted to enroll in the online course. Moreover, if not enrolling in the online course would prevent or delay the student's graduation, the student will be granted permission to enroll in the online course. However, all traditional students within driving distances of the College will be required to participate in on-campus testing. Faculty members will schedule proctored examinations for all traditional students enrolled in distance education.

During the summer sessions, students may enroll in online courses. If a course is offered online through LC, a student may not take the course at another institution and transfer it to LC. Please see Transfer Policy for more information.

CODE OF ACADEMIC INTEGRITY

Because the primary purpose of Louisiana College is to be a community of learning and free inquiry and because the College seeks to create an environment that encourages the development of moral and ethical values, the College places the highest value on academic integrity and regards any act of academic dishonesty as a serious offense.

Academic dishonesty violates the bonds of intellectual, spiritual, and moral principles foundational to all knowledge. Furthermore, academic dishonesty may defraud those who eventually will depend upon the integrity of learning and scholarship. Academic integrity, therefore, must be the concern and the responsibility of all members of the college community students, faculty, staff and administrators.

I. RESPONSIBILITIES

The responsibility for academic integrity must be a mutual effort of all those who participate in the academic process. Louisiana College recognizes the special roles of students and faculty in establishing and maintaining a climate conducive to academic honesty.

A. Student Responsibilities

1. Students must understand the concept of academic integrity and its counterpart, academic dishonesty.
2. Students registering for academic credit must sign a statement agreeing to read and abide by the policies (including those related to academic integrity) in the current edition of the Louisiana College Student Handbook.
3. Students should recognize that the regulations governing academic integrity exist for the protection of the honest and that dishonesty in an academic setting must not be condoned.
4. Students are responsible for their own work. Any assignment turned in by a student is assumed to be the work of the student whose name appears on the assignment.

5. Students are ultimately responsible for understanding instructions for any assignment, both written and oral. Students should seek clarification from the instructor when necessary.
6. Students should familiarize themselves with the proper use of citations and quotations to avoid accidentally passing off someone else's work as their own.
7. Any student who threatens or coerces another student or instructor regarding the reporting of information germane to an academic integrity violation will face disciplinary action, with expulsion being the recommended punishment.

B. Faculty Responsibilities

1. Instructors must explain all assignments as thoroughly as is reasonable and should address any extraordinary limitations on outside assistance.
2. Instructors should take reasonable precautions in giving tests to ensure that violations do not occur. The fact that an instructor did not take a specific precaution does not, however, constitute an excuse for any form of academic dishonesty.
3. If collaboration or assistance (e.g., student-prepared notes) on a particular assignment or exam is authorized, the instructor must be clear about his/her expectations on this and subsequent assignments/exams.
4. Instructors should avoid circumstances that create unfair opportunities for students, such as giving the same exam to multiple sections of the same course.
5. Instructors must be willing to investigate possible violations of academic dishonesty.
6. Instructors must file a Code of Academic Integrity Violation Report for all instances of academic dishonesty.
7. Instructors must seek to be fair in their dealings with students, particularly regarding cases of academic dishonesty, and must realize that no student can be convicted on suspicion alone.
8. Instructors may ask students to sign a statement of academic honesty prior to turning in an exam or any other assignment.

II. VIOLATIONS OF ACADEMIC INTEGRITY

Academic integrity violations (Academic Dishonesty) encompass any acts that comprise or subvert the integrity of the educational or research process. These offenses include, but are not limited to:

A. Plagiarism. Plagiarism refers to the representation of another person's words or ideas as one's own in any academic exercise. Examples include, but are not limited to:

1. Copying information word-for-word from a source, without identification of the quoted material and/or proper acknowledgment/citation.
2. Paraphrasing (i.e., put into one's own words) a source's text without providing proper acknowledgment/citation. This violation occurs when the ideas or arguments of another are paraphrased in such a way as to lead the reader to believe that these ideas originated with the writer.
3. Presenting as one's own any work which was prepared in whole or in part by someone other than one's self. This includes using unauthorized assistance in preparing one's work and acquiring written work from an outside source. Outside sources include other persons, commercial organizations, electronic sources, and other sources.
4. Reproducing in full or in part (without proper citation) another person's work in any form, such as a graphic element, a musical phrase, a computer program, a proof, experimental results, laboratory reports, or data of any type. This includes turning in work of another student as one's own work.

B. Misrepresentation. Examples include but are not limited to the following:

1. Arranging for another student to substitute for one's self during an examination session or in the completion of course work.
2. Taking credit for work not done, such as taking credit for a team assignment without participating or contributing to the extent expected.
3. "Double dipping" (multiple uses of the same work) or presentation of the same or substantially the same written work (or portion thereof) as part of the course requirement for more than one project or course without the prior written permission of the instructor(s) involved. If a student wishes to use another assignment as a base for additional credit, faculty should give the student the opportunity to submit a written explanation of the unique educational benefits of the new project.

C. Fabrication. Fabrication refers to the falsifying or misusing data in any academic exercise.

Examples include, but are not limited to: _

1. Falsifying data collected while conducting an experiment for a course or doing other research.
2. Making up or presenting falsified data in papers, manuscripts, books, lab reports, or other documents submitted for publication or as a course or degree requirements.
3. Making up a source as a citation in an assignment.
4. Citing a source one did not use.
5. Falsifying material cited.
6. Attempting to deceive the instructor by altering and resubmitting for additional credit assignments, tests, quizzes, or exams that have been graded and returned.

D. Cheating and Stealing. Cheating refers to the using or attempting to use, unauthorized assistance in any academic exercise. It includes the stealing or unauthorized acquisition of a test or test answers, or impeding the fair process of examination in any way. Examples of this violation include, but are not limited to:

1. Looking on or copying from someone else's exam, paper, or assignment.
2. Unauthorized use or possession of notes, supplemental notes, or comparable aids (in any format) during an examination, quiz, or other assignment or evaluation. This includes possessing an electronic device that contains unauthorized information for a test or assignment (e.g., programming one's computer, PDA, or calculator inappropriately).
3. Using unauthorized materials (e.g., notes, textbooks, calculators, computers) in the preparation of a test or assignment.
4. Communicating or attempting to communicate answers, hints, or suggestions during an examination.
5. Sharing or collaborating (without instructor's permission) in the preparation and presentation of reports, laboratory reports, or take-home assignments such as copying or giving aid, or otherwise failing to abide by the College's or instructor's rules governing the exercise or examination.
6. Using another person's answers for an assignment.
7. Soliciting, obtaining, possessing, or providing to another person an examination or portions of an exam, prior or subsequent to the administration of the exam, without the authorization of the instructor. Unless the instructor has given permission, students may not provide test questions to other students in any form - oral, written, or electronic.
8. Stealing, or attempting to steal, an examination or answer key from an instructor or proctor.

E. Impeding fair and equal access to the educational and research process.

Examples of this violation include but are not limited to:

1. Infringing upon the rights of other students to fair and equal access to any library materials and comparable or related academic resources by any means, including maliciously removing, tampering with or damaging any other resources.
2. Attempting to prevent access by other users to the College's computer system and its resources, to degrade the system's performance, or to copy or destroy files or programs without consent.

3. Intentionally disrupting the educational process in any manner.

F. Misrepresenting or misusing one's relationship with the College.

Examples of this violation include, but are not limited to:

1. Falsifying, misusing, omitting, or tampering with information (in any form, including written, oral or electronic) such as test scores, transcripts, letters of recommendation, or statements of purpose, to gain initial or continued access to the College's programs or facilities.
2. Altering, changing, forging, or misusing academic records or any official College form regarding one's self or others.
3. Causing any false information to be presented at an academic proceeding or intentionally destroying evidence important to an academic proceeding.
4. Failing to be fully cooperative and truthful if one has direct knowledge of an alleged violation of academic integrity.
5. Reporting an academic integrity violation known to be false.
6. Offering bribes (e.g., monetary remuneration, gifts, or favors) to any College representative in exchange for special consideration or waiver of procedures.

G. Facilitation. Facilitation refers to knowingly or intentionally assisting any person in the commission of an academic integrity violation. Students who engage in facilitation are also subject to discipline for integrity violations. Examples of this violation include, but are not limited to:

1. Giving another student one's assignment or paper (or a portion thereof) to copy.
2. Giving another student answers to a test or assignment.
3. Letting another student copy one's answers during an examination.

III. PROCEDURES FOR ADDRESSING VIOLATIONS

A. Summary: The Code of Academic Integrity is enforced at two levels: the classroom level and the administrative level. All alleged violations are first handled at the classroom level by the instructor involved. Classroom-level enforcement involves a student conference and the filing of a Code of Academic Integrity Violation Report which details classroom penalties imposed by the instructor. Some alleged violations may be subject to review at the administrative level. This will result in an Academic Integrity Hearing and possible institutional sanctions.

Time constraints indicated throughout this code may be altered for offenses which are committed at a point in the academic calendar which makes a specified schedule infeasible.

B. Student Conference: If an instructor is reasonably certain that a student has committed an act of academic dishonesty, he or she must meet with the student(s) involved and discuss the following: (1) the specific type of violation, (2) the reasons for suspecting the violation, and (3) the importance of academic integrity. The instructor should thoroughly document the meeting in preparation for filing the Code of Academic Integrity Violation Report and for possible subsequent hearings.

If for any reason the student is not available for a conference before the end of the semester, the instructor may assign a course grade of "I" pending resolution of the charge. (Documentation for the "I" grade must be provided to the Office of the Registrar.)

- C. Violation Report: In order to identify repeat offenders and validate any penalties that the instructor may choose to impose, the instructor must complete a Code of Academic Integrity Violation Report for each student involved and obtain the student's signature. Additionally, the instructor should thoroughly document the violation and be prepared to provide such documentation, if any subsequent charges of academic dishonesty are filed against the student.

Within 72 hours of discovering the offense, or as soon as practical within the academic calendar, the instructor should make a copy of the Violation Report and send the original to the Coordinator of Academic Integrity. The Coordinator of Academic Integrity will forward copies to the student(s) being accused and the Associate Vice President of Academic Affairs. The original report will become part of the student's confidential academic disciplinary file maintained only in the office of the VPAA and will serve as a record of the student's having been warned about the nature and consequences of academic dishonesty.

The classroom penalty for the offense is at the discretion of the instructor and may include, but is not limited to, written or oral reprimand, required additional work, revised work re-examination, a reduced grade on the assignment, a reduced grade in the course, or an F in the course. Depending on the severity of the violation, the instructor may also recommend that an Academic Dishonesty Hearing Board be convened to consider the appropriateness of an institutional sanction. (See III D.2. below)

- D. Optional Academic Dishonesty Hearing: If this is a first offense, an Academic Dishonesty Hearing is optional. All requests for a hearing must be made to the Assistant Dean in writing, and the panel will be convened according to the procedural guidelines below.

The purpose of an Academic Dishonesty Hearing is to allow the accused student to prove his or her innocence and/or to determine whether an institutional sanction should be imposed in addition to the classroom penalty. The Academic Dishonesty Hearing Board will not consider the appropriateness of the classroom penalty.

1. Student-Initiated: In order to request an Academic Dishonesty Hearing, the accused student must first confer with the instructor, the Department Coordinator and where applicable, the Division Chair of the department/division within which the course is taught. If after these conferences the student questions the validity of the academic dishonesty charge, s/he may request that a Hearing Board be impaneled.
2. Faculty-Initiated: If the instructor feels that the severity of the violation warrants an institutional sanction (e.g., academic probation, suspension, or expulsion), he or she may indicate that on the Violation Report. In that case, the instructor must include a detailed description of the offense with the violation report.
3. Administrator-Initiated: After reviewing the Violation Report, the Coordinator of Academic Integrity, the Associate VPAA, or the Dean of Students may request additional information from the instructor and/or require the student's judicial disciplinary file from the Dean of Student's Office. Any of the administrators named above may request an Academic Dishonesty Hearing on the basis of the severity of the present offense or an apparent pattern of behavior as evidenced by the current offense in combination with existing disciplinary records.

- E. Mandatory Hearing. For a second offense and any subsequent academic integrity violations, an Academic Dishonesty Hearing Board will be convened to consider the validity of the charge and possible institutional sanctions.

IV. PENALTIES

- A. Classroom penalties will be determined by the instructor and described in the Violation Report.

1. A student who receives an "F" in a course as a classroom penalty for academic dishonesty may not withdraw from the course at any time during the semester.
 2. A student who receives an "F" in a course as a result of a classroom penalty for academic dishonesty (e.g. as a result of reduced grade on an assignment or a reduced grade in the course) may withdraw from the course with a "WF" at any time during the semester. Such a course may not be dropped with a "W" or a "WP" at any time during the semester.
- B. Institutional sanctions may be imposed by an Academic Dishonesty Hearing Board.
- C. Students who receive a course grade of "F" or "WF" as a result of academic dishonesty or who receive an institutional sanction for academic dishonesty are not eligible to graduate with academic honors.

V. PROCEDURAL GUIDELINES FOR ACADEMIC DISHONESTY HEARING

- A. A Hearing Board is comprised of three voting faculty members, one non-voting faculty member designated as the Hearing Officer, and three students who are Student Appeals Committee members. The Coordinator of Academic Integrity shall select the faculty members from the Academic Integrity Hearing Committee and designate one as Hearing Officer. The Dean of Students shall select the student members from the Student Appeals Committee. If the Associate Vice President for Academic Affairs and the Coordinator of Academic Integrity are absent from campus when a case arises, the Vice President for Academic Affairs will designate a member of the Administrative Council to perform the necessary functions. A quorum consists of two faculty members in addition to the Hearing Officer and one student.
- B. The Hearing Board may request access to all of the student's disciplinary files, including the academic disciplinary file from the Vice President for Academic Affairs' (VPAA) office and the judicial disciplinary file from the Dean of Student's office. The Hearing Board may request additional information from any instructor(s) who filed a Violation Report on the student and any other individuals who may have pertinent information regarding the student.
- C. The Hearing Officer shall notify the student of his or her right or obligation to appear before the Board at least 72 hours in advance of the hearing. The student may waive the right to the 72-hour notice to expedite the hearing.
- D. The accused student may be accompanied by a person of his or her choice who may not be an attorney. This person will not participate actively in the hearing unless requested to do so by the Hearing Board.
- E. The Academic Dishonesty hearing is not a court of law, and formal rules of evidence are not necessary.
- F. Digital recordings or written notes of the hearing will be maintained in the office of the VPAA.
- G. The accused student has a right to explain to the Hearing Board the facts related to the incident(s), why he or she is not guilty, and/or why an institutional sanction is not warranted. The accused student may request witnesses to appear or to prepare written statements, signed by the author. The accused will not be allowed in the hearing during questioning of a witness. The Hearing Board has discretion to include or exclude testimony as it deems fair and appropriate under the circumstances.
- H. Only Hearing Board members may be present during the Board's deliberations. Hearing Board deliberations will not be recorded.
- I. The Hearing Board will choose from among the following options:

1. The student is innocent of the charge. The Violation Report will be removed from his or her academic disciplinary file and the classroom penalty will be revoked.
 2. The student is guilty, and the classroom penalty is upheld. The student receives no institutional sanction.
 3. The student is guilty and the classroom penalty is upheld. Based on the severity of the violation or a pattern of behavior, an institutional sanction is imposed. This sanction may include, but is not limited to, academic probation, suspension, expulsion, or any of the judicial sanctions listed in the "Judicial Policies and Procedures" section of the Student Handbook.
- J. The final decision of the Hearing Board will be a majority vote. In case there is a tie, the Hearing Officer will vote.
- K. The Hearing Officer will submit a written copy of the Board's finding to the Associate Vice President of Academic Affairs, who will notify the student within 72 hours of the decision.

VI. APPEAL OF HEARING BOARD ACTION

A student who receives an institutional sanction of suspension or expulsion by an Academic Dishonesty Hearing Board may appeal the decision to the Vice President of Academic Affairs (VPAA). Any other actions by that Board may be appealed only on the basis of a procedural error, new evidence, an unsupported conclusion, or a disproportionate sanction. Any such appeal must be in writing to the VPAA within 72 hours of the Hearing Board's notification to the student. The Decision of the VPAA will be final.

ACADEMIC APPEAL PROCEDURE

A student who questions the validity of a test grade or final grade must pursue the following steps when appealing.

1. **Student must confer with the faculty member with whom the problem is questioned.** Students should schedule a meeting with the instructor explaining that they would like to appeal a test grade **or** a final grade and why they feel the grade that they received is not correct. ACADEMIC FREEDOM

Academic freedom is the right of each member of the academic community to pursue free and responsible inquiry within the mission of Louisiana College. Academic freedom is foundational to teaching methodology, writings, research, and public statements in one's field of professional competence.

The calling of Christian higher education espousing the philosophy that all truth is from God, coupled with the democratic traditions of American higher education, provides the foundation for the college's commitment to academic freedom. As an institution of higher education, the college affirms that authentic learning takes place only when truth can be pursued freely within the context of the standards or norms of the institution.

Within this framework, there are two distinct types of academic freedom: institutional academic freedom and individual academic freedom. Institutional academic freedom protects the institution's right to fulfill its mission without undue influence from external entities or individuals. Specifically, the institution determines for itself matters of curriculum, teaching, employment, and admissions. Individual academic freedom protects the faculty member's right to exercise responsible freedom within the context of the institutional mission.

HEALTH SERVICES

It is our aim at Louisiana College Health Services to promote and help maintain the physical, emotional, and spiritual health of our students, faculty, and staff. The Health Service Center is located on the main floor of the Hixson Student Center, Room 144. Supervised by the Coordinator of Health Services, the facility provides service for students, faculty, and staff. During the academic year, a Registered Nurse is on duty each Monday through Thursday from 8:30a.m. – 4:00 p.m. and closed on Fridays. The office number is (318) 487-7750. Though Health Services is not a resident facility offering primary health care, it does serve as a referral service and a dispensary for a limited inventory of first aid supplies and over-the-counter medications. No fee is charged for a visit to the nurse. The nurse is also available to administer allergy injections to students that are enrolled, but this requires a physician's order with specific instructions regarding schedule and dosing. The student would be responsible to provide the allergy antigen. The nurse can assist with keeping track of blood pressure or glucose readings and can administer B12 or other cyclically administered injections with written orders and serum/medication provided by the student's family or staff's physician.

The nurse in Health Services consults with Dr. Kenneth Johnson (College Physician) for further treatment when needed. Dr. Johnson holds a clinic and sees students who are ill in Health Services each Wednesday from 12:30 p.m. – 2:00 p.m. (during the spring and fall semesters). An appointment is required to see the doctor. There is no fee charged for a visit to the doctor; however, the cost of prescription medications, lab work, or x-rays (if ordered by Dr. Johnson) would be the responsibility of the student.

MEDICAL RECORDS

Each new/transfer student must submit a "Health History Record" and "Proof of Immunization Compliance" form to the Admissions Office or to Health Services prior to registration. Waiver forms are also available for the student should they decide to decline receipt of the required vaccines. The nurse closely monitors immunization records for new/transfer students to assure compliance with the Louisiana law regarding required immunization for admission to an Institution of Higher Learning. These medical forms are housed in the Health Services Office. The student's medical records are kept confidential and are maintained in Health Services. These records may be released to a physician only with the written consent of the student.

Seconds Policy

Louisiana College and ARAMARK offer unlimited seconds on all items except theme dinners. This policy is intended to provide students with as much food as needed while preventing waste. Diners can come back for seconds (or even thirds and fourths) if they wish. Portion control with unlimited seconds is the most effective way to control your food dollar.

An “unlimited seconds” policy means second helpings are for paid diners and that they must be eaten in the dining room. This privilege cannot be extended to include food taken out of the dining room.

Carry-Outs

Always on the run? Use the “Carry Out” Program. To meet the needs of students who are always on the go, carry-out trays are allowed. In order to stay in line with operating costs, only one container and one cup is allowed to be taken out of the Hattie B. Wildcat Café.

Boxed Meals

If a person cannot be at the dining room for a meal because of a class conflict or work schedule, boxed meals are available Monday through Friday, with 24-hour notice. Bring your class schedule or a note from your employer. The Den is also offered as an alternative food service facility with more flexible hours.

Meal Cards/Student ID's

Validated identification cards are issued to every student. You will be required to use this card each time you eat in the dining room. In the event a student ID card is lost or misplaced, a new card must be obtained in Student Development. To speed service, please have it ready before you reach the cashiers station. Please do not argue with cashiers. They are under strict orders to admit only persons who hold a valid meal card and to confiscate any card that is invalid or is not being used by the person to whom it is issued. Cashiers may not deviate from these regulations. Any exceptions or temporary meal tickets must be obtained through the Director of Food Services.

Dress

Appropriate dress, including modest shirts, pants, and shoes, is required at all times in the dining room.

Catering

ARAMARK Campus Services provides catering services for all on-campus functions. All on-campus catering must be approved by the Director of Food Services. Students, faculty, staff, and College guests may contact catering services for special events by calling 487-7676.

Special Diets

Occasionally, health reasons may make it necessary for a student to be on a special diet. The College will make every effort to arrange a diet designed specifically for the student requesting it. The procedure for requesting a special diet is simple. Bring a signed letter from the doctor stating the kind of diet required and background information regarding the reason for the special diet. It would be helpful for the doctor to provide sample diets along with a list of foods you can and cannot eat. The Food Service Director will then set up procedures with each student for specific dietary needs.

Suggestions?

We encourage students to use the suggestion boxes in the dining room. To receive a personal response, please include your name and email. Students may also contact the Dean of Students with suggestions.

COLLEGE REFUND POLICY

DROP/ADD: Individual Courses may be dropped by the end of the last day of registration with a full refund (see the College Calendar for dates). Students wishing to withdraw from ALL courses must officially resign from the college (see resignation schedule below).

REFUND SCHEDULE UPON RESIGNATION FROM THE COLLEGE

No withdrawal is official unless it is made through the Office of Academic Affairs, the Registrar's Office, the Financial Aid Office, and the Business Office. To resign from school, the student must obtain an official resignation form from the Registrar's Office. The student should complete the resignation form and obtain the required signatures and clearances for various campus offices. The resignation process is finalized once the completed resignation form is returned to the Registrar's Office

Refunds will be calculated as of the date the resignation process began as indicated by the Registrar's date stamp on the resignation form.

The following tables indicate the current resignation refund schedule for tuition and fees:

Fall and Spring Semesters

Resignation within:	Refund Percentage:
1 st day of class – 2 nd week	90% less administrative fee**
3 rd week – 4 th week	50% less administrative fee**
5 th week – 8 th week	25% less administrative fee**
After 8 th week	No Refund

Summer Semester (4-week terms)

3 rd – 4 th day of class	50% less administrative fee**
5 th – 10 th day of class	25% less administrative fee**

This refund schedule begins with the first official day of class which is defined as the first day classes meet and not the first day of class attendance by the student.

Students who feel they have extenuating circumstances, such as personal injury, death of a family member, serious illness, etc., that may warrant amending the official resignation date may file an appeal with the Office of the Vice-President for Business Affairs.

**Federal regulations allow institutions to exclude an administrative fee of \$100 or 5% of the total institutional costs (whichever is less) from Federal refund calculations.

Refunds for room and board are calculated according to the number of full weeks remaining in the semester or term.

No refunds of tuition or fees will be given to students whose enrollment is cancelled as a result of disciplinary action.

Enrollment at Louisiana College represents a contractual commitment by the student to fulfill all financial obligations (including repayment of financial aid) to the college regardless of when the student may cease to be enrolled.

DISTRIBUTION OF REFUND CHECKS

Refunds resulting from drop/adds or resignations will not be made until after an audit of fees has been performed. Refunds resulting from resignations will not be disbursed to students until both Federal and Institutional financial aid sources have been reimbursed according to Title IV regulations. Credit balances resulting from application of financial aid will be available for refund according to Federal guidelines.

TITLE IV FINANCIAL AID RECIPIENTS

In accordance with the 1998 Reauthorization of the Higher Education Act of 1965, the refund policy for Title IV aid recipients has been changed to the "Return of Title IV Funds" policy. The law now defines the amount of Title IV grants and loans that the student has earned the right to use. The amount a student has earned is directly related to the length of time he or she has remained enrolled during the semester. The law requires that a certain percentage of Title IV funds be returned when a student resigns before completing more than 60% of the semester for which s/he received the funds. Specific information and examples regarding the Return of Title IV Funds policy are available in the Office of Student Financial Aid.

STUDENT RECORDS

Louisiana College preserves and maintains permanent institutional records relating to each student. Information contained in these records can be made available to authorized persons or institutions as a service to students in accordance with the following policies.

STUDENT RIGHT TO PRIVACY/FERPA

FERPA is a Federal law that is administered by the Family Policy Compliance Office (Office) in the U.S. Department of Education (Department). 20 U.S.C. § 1232g; 34 CFR Part 99. FERPA applies to educational agencies and institutions (e.g., schools) that receive funding under any program administered by the Department. The Family Rights and Privacy Act does not allow higher education institutions to discriminate disclosure of information to third parties, including parents, regardless of age. Louisiana College does not discriminate against students with regard to age. If a student is appropriately admitted to Louisiana College, all College policies and procedures apply. All enrolled students fall under all FERPA and HIPA laws and guidelines regardless of age. When a student reaches 18 years of age or attends a postsecondary institution, he or she becomes an "eligible student," and all rights under FERPA transfer from the parent to the student. The term "education records" is defined as those records that contain information directly related to a student and which are maintained by an educational agency or institution or by a party acting for the agency or institution.

Louisiana College will disclose information from a student's educational records only with the written consent of the student except in certain legally permissible situations, i.e., to college officials who have a legitimate educational interest in the records, to certain government or other public officials, and to parents of an eligible student who claim the student as a dependent for income tax purposes. However, information designated by Louisiana College for directory purposes, or the results of any disciplinary proceeding conducted by the College alleging a sex offense of the accused may be released without the student's consent. A student may grant the College the right to release confidential information, such as grades, academic progress reports, class attendance records, financial aid, disciplinary actions, financial account information to parent(s)/guardian(s)/ spouse by completing and signing the "Student Consent to Release Confidential Information Form." To ensure that the identity of the person who is making the request is the student, the student must show his/her LC student ID, and the form must be submitted in person to the Office of the Registrar, Alexandria Hall, Room 145 and/or Office of Student Development, Hixon Student Center, Room 214. For distance education students, the online form can be submitted through the student's assigned college email with a scanned copy of his/her LC student ID. The form is can be downloaded from the Registrar's website.

DIRECTORY INFORMATION

Louisiana College designates the following items as Directory Information: student name, address, telephone number, email address, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards/honors received, full or part-time enrollment status, most recent previous school attended, and photographs. The College may disclose any of those items without prior written consent, unless the student completes and submits to the Records Office the ***Request to Prevent Disclosure of Directory Information Form*** within the first two weeks of classes each semester. The form can be downloaded from the Registrar's website.

PERMANENT RECORDS

Academic records are maintained by the Vice President for Academic Affairs and held in the Registrar's office. They constitute the student's permanent record and contain only information relevant to academic performance. These records are available only to authorized persons. Judicial records contain information relating to student violations of College policy and are kept by the Dean of Students. They are maintained separately from academic records and are available only to authorized persons. For further information regarding judicial records, see Student Handbook, Student Judicial Policies and Procedures.

ACCESS TO RECORDS

Students are free to examine copies of their academic and judicial records maintained by the College. Any student who desires to review his or her record may make a written request to the College custodian of the record. The custodian will provide a copy of the record to the student within 45 days.

STUDENT RIGHT TO CHALLENGE RECORDS

Any student who desires to challenge the accuracy or completeness of a written College record will follow these procedures.

1. The student will submit to the custodian of the record a written statement setting forth the specific accuracy or incompleteness of the record. The statement or challenge will be filed as part of the record pertaining to the student.
2. If further action is desired, the student will confer with the custodian of the record concerning the matter and attempt to resolve the matter satisfactorily. Any agreed settlement will be written and signed by the student and custodian and made a part of the record.
3. If the challenge is not settled by the student and custodian, the student will have the right to appeal to the Student Appeals Committee by submitting a copy of the challenge and the record to the Committee. After a hearing, the committee will determine the validity of the challenge. The decision of the Committee will be reduced to writing and made a part of the record.

The above procedures will not be employed to challenge the validity of a grade or any other decision given by a College professor or administrator. Appeals of grades must be in accordance with the Academic Complaint Procedure. Appeals of disciplinary decisions must be made in accordance with the student judicial process.

The Coordinator of the College Calendar schedules facilities for use by various groups. The office is located in the President's Office in Alexandria Hall, first floor (487-7401). To assure priority for the use of campus facilities, all functions and meetings sponsored by Louisiana College must be scheduled through the Coordinator of the College Calendar. The College-wide calendar of events is prepared a semester in advance and is posted on the Louisiana College website (lacollege.edu).

Campus organizations or other groups involved in short-term planning which require the use of College facilities should follow this procedure:

1. Request made to the Calendar Office a minimum of ten working days prior to the event.
2. Information provided should include date, time, location, sponsor, and expected attendance. Specific requests for physical setup, college personnel services, sound and light technicians, necessary equipment, etc., should also be included. There will be a charge for services of skilled personnel, the use of special equipment, or room arrangements necessitating additional labor.
3. Approval for the use of a particular facility is determined through the Coordinator of the College Calendar with the approval of the priority holder for that facility. Academic functions planned routinely, or in advance, have priority for College facilities; other priorities are determined on a first-come, first-serve basis.

STUDENT LIFE: HOW TO GET INVOLVED

STUDENT ORGANIZATIONS

Students have opportunities for involvement in campus life through a variety of activities and organizations. The Student Government Association, the Union Board, and the Baptist Collegiate Ministry serve as major campus-wide organizations and represent large segments of the student body. These groups do not have narrowly defined membership criteria and are open to all students at Louisiana College. They offer a wide array of activities for students and provide student input into the development of programs, policies, and student activities. In addition to these major groups, a diverse group of service clubs and professional societies offer a wide-range of options for involvement. The following sections describe student organizations and activities on the campus.

POLICIES GOVERNING STUDENT ORGANIZATIONS

The policies contained in this section relate to all approved student organizations at Louisiana College. These policies outline membership eligibility, organizational responsibilities, and assist in planning, scheduling, and conducting group functions.

CHARTERS AND CONSTITUTIONS

of the Vice President of SGA, and the consensus of the Vice President of Student Life, the Director of Student Activities, and majority vote of the SGA.

The group meets monthly to plan campus-wide organizational activities and to provide input into policies governing organizations.

The SGA elects executive officers and representatives in a campus-wide election each spring semester. Freshmen Representatives and Commuter Representatives are elected in a special election held each fall. Any full-time student with a minimum grade point average of 2.00 is eligible for election to the board. Certain offices may require more stringent and specific criteria. Consult the SGA Constitution for detailed information. For more information or a copy of the SGA Constitution, call the SGA Office or the Dean of Students.

Union Board consists of two executive officers, selected by the Union Board staff in the fall semester, and a varying number of members. The Board is supervised by the Director of Student Activities. VARSITY/INTERCOLLEGIATE ATHLETICS

The intercollegiate athletics program of Louisiana College has operated historically in strict adherence to a philosophy and purpose in harmony with the support of the College's identity and mission. The specific purposes of the athletics program include fostering healthy interpersonal relationships, inspiring a sense of spirit and pride among students, contributing to a comprehensive student recruitment program, promoting the spiritual, emotional, and physical well-being of students, and fostering intellectual, cultural, and social development outside the formal instructional program. All of these purposes support the College's interests to educate the total person.

NCAA Division III, the American Southwest Conference, and the College agree with and support the attitudes, statements, and regulations espoused by those organizations regarding sportsmanship, ethics, amateur athletics competition, fair play, gender equity, and the financial support, academic success, and health and welfare of student-athletes. The College is committed to working with these organizations as it strives to accomplish both specific purposes of the athletic program and the overall mission of the College.

RELIGIOUS LIFE AND SPIRITUAL ENRICHMENT

PURPOSE

Through the program of spiritual enrichment, the college encourages worship of and submission to Jesus as Lord. Students are introduced to the essentials of the Christian gospel. The program demonstrates the relevance of the message of the Bible for people today and seeks to inspire devotion to the teachings of the Scripture. The program also seeks to stir the passion of the campus family for changing the world by carrying the gospel to the ends of the earth. The college seeks to accomplish these goals through corporate worship that involves the entire campus family including students, faculty, and staff and through a variety of Christian organizations that offer opportunities for Christian education, fellowship, and service.

The college utilizes some assemblies to celebrate achievement, to build a sense of community throughout the campus family, and to foster intellectual development. The college also offers cultural enrichment programs and presentations that provide students a life-long appreciation for the visual and performing arts and also provides important information on issues of current interest.

CAMPUS MINISTRIES

BAPTIST COLLEGIATE MINISTRY

The Baptist Collegiate Ministry (BCM) is a campus ministry under the leadership of the BCM Director and a student Leadership Team. The BCM offers a variety of opportunities for personal discipleship, worship, leadership development, fellowship and outreach to both campus and community.

BCM activities include:

1. Radiate, a Bible study that is offered the first Monday night of each month at 6:30p.m., unless school is not in session. Then this Bible study occurs on the second Monday night at 6:30p.m.
2. Renew is another Bible study that BCM is sponsoring this semester. This Bible study is every Tuesday evening at 6:30p.m.; various topics are addressed. Please see Shannon Lane, BCM Director, for a complete list of topics for discussion..
3. Opportunities for students to use their God given gifts and abilities in leadership and ministry positions.
4. An extensive missions program. Three mission trips are planned each year to give students an opportunity to participate at a state, national or international level.

The BCM commitment is threefold, a commitment to:

- Christ – likeness.
- Christ – centeredness.
- Christ’s lordship.

The function of the BCM is also threefold, to:

1. Reach those on and off campus who don’t know Christ.
2. Connect students to the local churches.

3. Strengthen the faith of those who already know Christ.

SCE POLICIES

SPIRITUAL AND CULTURAL ENRICHMENT

PROGRAMS FOR THE LOUISIANA COLLEGE COMMUNITY

The Spiritual and Cultural Enrichment (SCE) programs of Louisiana College exist to support the total development of students, enrich learning beyond the classroom, and foster Christian community. Educational experiences, fellowship, renewal, and the celebration of individual and group achievement are also anticipated benefits. Cultural and Spiritual Enrichment activities are planned under the direction of Student Life in cooperation with the Division of Christian Studies. . This campus wide committee involves student, faculty, and staff representatives to provide direct input into the planning and coordination of worship services and assemblies. Video or audio-taping of programs by members of the audience are not permitted because it may be a violation of copyright law as well as an infringement on the property rights of speakers. Faculty and staff are also encouraged to attend spiritual and cultural enrichment programs.

SPIRITUAL AND CULTURAL ENRICHMENT MEETING TIMES

Until the renovation of Guinn Auditorium is complete, chapel will be offered in the Martin Performing Arts Center (MPAC) every Tuesday and Thursday at 11:00 a.m. Freshman, athletes and transfer students will attend on Tuesdays and upperclassmen will attend on Thursdays. A student will NOT receive a spiritual credit if he or she attends chapel other than their assigned day. Students who arrive at the program after 11:00 a.m. will not receive credit for the event. Tuesday/Thursday programs consist of a variety of worship experiences featuring the Dean of Chapel, guest speakers, musicians, and artists. Services generally conclude by 11:45 a.m. In the rare event that the program runs late, class times will be adjusted accordingly. Students should mark this time on their schedule when registering for classes. Work schedules on and off campus need to be scheduled before or after chapel times. Each semester includes at least one week of special emphasis such as the Sanders' Lectures in the fall and the Campus Revival in the spring. These special events are held on Tuesday, Wednesday, and Thursday. An adjusted Wednesday schedule is used for special emphasis weeks and appears in the College Schedule and Registration Booklet. In addition to weekly programs and lecture series, other spiritual enrichment events may be offered for credit.

Cultural Enrichment programs will be offered at various times throughout the semester. These include, but are not limited to, LC plays and concerts (Louisianans, Chorale, LC Band, etc.), student, faculty, or guest recitals, and art exhibits with accompanying gallery talks.

Contact Student Life or the LC website for a list of planned and approved spiritual and cultural events.

ATTENDANCE REQUIREMENTS

All full-time traditional students (24 years of age and younger) must accumulate the specified number of Spiritual and Cultural credits each semester in order to graduate from Louisiana College. The following chart represents the minimum number of credits that must be earned by traditional students every semester while in attendance. . Each student is responsible for recording his/her presence using his/her student ID card with name and student identification number. Student IDs will be scanned for attendance. If a student does not have their student ID with them to be scanned, the student will not receive spiritual credit.

	<u>Spiritual</u>	<u>Cultural</u>
Full-time Traditional		

Per Semester 10 credits 5 credits

Non-traditional students (age 25 years and older) are required to earn a *minimum* number of credits each semester as outlined in the following chart.

	<u>Spiritual</u>	<u>Cultural</u>
Full Time Non-Traditional credits	5 credits	2 credits

Social work students enrolled in the internship experience and student teachers are exempt from Spiritual Enrichment requirements and are still required to complete Cultural Enrichment requirements. Part-time students (for the purposes of this policy, students enrolled in less than 12 semester hours) are not required to complete Spiritual or Cultural Enrichment credits. In addition, if a student has already earned a college degree, there are no Spiritual or Cultural Enrichment requirements for enrollment or graduation. Since all students who study abroad are required to attend spiritual and cultural enrichment events through these programs, they will receive full credit for Spiritual and Cultural Enrichment (SCE) requirements for that semester.

FAILURE TO MEET ATTENDANCE REQUIREMENTS

Spiritual and Cultural Enrichment (SCE) credits are a requirement for graduation. Students who fail to complete the required number of spiritual and cultural enrichment credits for a semester must make up these deficiencies the following semester or through the prescribed method detailed below.

If a student fails to meet the Spiritual and Cultural Enrichment requirement for a particular semester, it will be necessary to remedy the deficiency in the following semester by acquiring extra credits or enrolling in a prescribed class (RL095). Students who earn at least 60% of the required spiritual enrichment credits in a semester (6 for traditional students and 3 for non-traditional students) have the opportunity to make up those deficiencies in the next semester by acquisition of sufficient extra credits to remedy the deficiency. In other words, the shortage for that semester must be made up in the following semester by attending at least the number of events required for that semester plus enough additional credits to compensate for the deficiencies from the previous semester. For example, a student who receives only 7 spiritual credits during his or her first semester will be placed in a probationary status in Spiritual Enrichment for that semester. Then the student must earn 13 spiritual credits the following semester (10 for the current semester and 3 for the previous semester) to be restored to good standing.

STUDENTS MUST REMEDY DEFICIENCIES AS PRESCRIBED IN THIS POLICY TO CONTINUE ENROLLMENT AT LOUISIANA COLLEGE. Students who acquire 5 or less credits in one semester must enroll in and successfully complete RL095, Introduction to the Christian Faith. A student that fails to satisfy the spiritual credit requirements for two successive semesters must remedy those deficiencies through enrollment in RL095 and/or RL096, Introduction to the Christian Faith – Supplemental Readings in the next successive semester. Students with 1-9 deficits after two semesters are required to successfully complete RL095. Students with 10 or more deficits after two semesters will be required to enroll in and satisfactorily complete BOTH RL095 and RL096. These courses earn no credit hours and are taken on a Pass/Fail basis. Students may enroll full-time while in these classes, however, they will not receive credit for other courses taken during that semester until they successfully complete the required compensating courses. Students are also required to attend Chapel and meet the minimum requirements during the semester they are enrolled in RL095 and/or RL096!

NOTE! ALL STUDENTS must earn the designated number of Spiritual and Cultural Enrichment credits as part of the requirements for graduation from Louisiana College. Students should plan their academic and work schedules around Spiritual and Cultural Enrichment activities as they do for other courses!

ATTENDANCE AND SIGN UP SHEETS

Attendance will be taken by scanning or swiping student IDs. If a student's ID is in poor condition and is unable to be scanned, he/she will receive a chapel card to fill out to track attendance for that particular event. The student then has one week to obtain a new ID in Student Life for a replacement cost of \$10.00. Each student's ID must be scanned by a monitor before leaving the program. Only one student ID will be accepted from each student and will be scanned as students exit the building at the close of the program. No card will be scanned for any student after the monitors leave the building.

If a student leaves the building before Chapel has ended he/she will not receive credit for attending. Each student leaving early will be required to sign out stating why he/she is leaving. Should a student find it necessary to leave the program due to an emergency, allowances will be made at the discretion of the Dean of Students.

Student IDs will also be scanned or swiped to document attendance at cultural enrichment programs. Students must stay for the entire event to receive credit for attendance. They must sign out and provide their Student ID card to receive credit for attendance.

EXEMPTIONS

Absences for routine medical appointments, job interviews, family and work responsibilities will not be excused and should be scheduled at other times. Since spiritual enrichment programs are offered at various times throughout each week, exemptions will be rarely given. Requests for temporary or extended exemption of SCE credits should be submitted with documentation via email to appeals@lacollege.edu for consideration. Appeals are determined by the Student Appeals Committee.

DRESS IN CHAPEL

Students should be aware of the dress code at all times on campus and particularly during chapel. The Code of Conduct makes the following statement regarding standards of dress for students on campus.

The College believes its students should adhere to generally accepted standards of dress appropriate for chapel, class, meetings of the student body, and occasions of a ceremonial nature, and the noon meal on Sunday.

It is customary for men to remove their hats during prayers, worship, while reciting the pledge of allegiance, and at other appropriate times or as directed by the Dean of Chapel or college representative in charge of leading the service. All male students are expected to adhere to this custom and sign of respect.

ON CAMPUS RESIDENCY REQUIREMENTS

All single full-time students (students taking 12 or more hours) under age 21 are required to live in campus housing unless they are commuter students. Students who reside with parents or legal guardians within a fifty-mile radius of Louisiana College are exempt from the policy. A commuter student is defined as a student who is a legal dependent of a parent or legal guardian with whom s/he has physical residence and is living within a 50-mile radius of Louisiana College. New students must state, at the time of acceptance, their intention to live on campus or with parents. Each student must verify policy compliance with the Director of Residence Life prior to the completion of registration. Students found in violation of this policy will be subject to discipline. Louisiana College reserves the right to cancel registration and to suspend or dismiss any single student who fails to comply with this policy.

After completion of 6 semesters of residence hall living at Louisiana College, or after reaching age 21, students will be eligible to apply to live off campus. All petitions to live off campus are distributed through the office of Residence Life. If the applying student does not meet the requirements below, the Residence Life Director will send a statement of denial to the student. The statement includes the process of appeal which the student may go through if the student feels like his/her case was misrepresented. The responsibility for hearing the student cases and rendering appeal decisions are at the discretion of the Vice President of Student Development. Request for Exemption forms are available in the Residence Life offices and online (www.lacollege.edu).

Approval to live off campus is contingent upon the student's academic record (minimum 2.0 Cumulative GPA) and disciplinary record. Permission **may** be granted by the Director of Residence Life if a student is eligible and meets one of the following criteria:

1. Enrolled for less than 12 hours during a fall or spring semester and will not add additional hours of study to his//her schedule before the final date of registration.
2. Has completed six semesters of residence hall living at Louisiana College.
3. Is at least 21 years of age *by the final day of registration*.
4. *Lives locally within a fifty mile radius of campus with parents, grandparents, or legal guardian provided their primary address is within the Pineville area for tax purposes. ****
5. Married and/or has legal guardianship of a minor by custody.

These are the only exceptions that will be considered and other requests that do not meet the above criteria *will not be approved.*

Please note that the Residence Halls are intended for traditional student use. Students over the age of 25 will need to seek housing accommodations off campus, unless student is seeking housing during the summer sessions for the TEACH or MAT programs. Some exceptions may be made at the discretion of the Director of Residence Life and the Dean of Students. The housing office apologizes for any inconvenience this may cause.

*** In order to process the request we must verify residency of the person(s) where the student will be living locally. The verification documents include the most recent tax filings from the person who lives locally. The only information that LC ResLife requires is proof of primary address, sensitive tax information may be redacted and the file sent to:

Louisiana College
Director of Residence Life
Box 586 1140 College Drive
Pineville, LA 71359

Upon receipt of this document, the tax documents will be securely filed and the request will be approved. Please note per the Student Handbook: students that claim a local dwelling exemption yet fail to complete the verification process *will result in the student being billed for the cost of the room and board.*

Residence Life - Summer Housing Policy:

Students are allowed to pay (\$85.00 per week) to reside in campus housing during summer sessions provided the student is a continuing student whether registered for summer session classes or not. Students must be registered for classes in the upcoming Fall session to be approved for summer housing on-campus. All students that are using summer housing must adhere to the Louisiana College Code of Conduct.

SEMESTER ROOM CHARGES

Room rent is based on the semester schedule and does not include holidays. After holidays or breaks, students are not permitted to return to campus prior to the date announced in the College Calendar. Students are to vacate their rooms and check out properly with the housing staff according to the closing date in the College Calendar. Special arrangements must be made through the Director of Residence Life if a student needs to arrive early or stay late. Charges are assessed on a per day basis for any days the buildings are not officially open. Additional fines may be assessed if the resident does not vacate his/her room by the designated time.

Please note that private rooms are assigned on a medical need basis only. Students must submit medical documentation to be kept on file in the housing office before a room will be assigned. If there is available space, the Residence Life office may issue private rooms on a first-come-first-served basis.

RESIDENCE HALL OPENING AND CLOSING

Residence halls will open and close as published in the College Calendar unless otherwise posted. Residence halls remain open for brief breaks within the semester. During these times, students may remain in their room. The residence halls will close for longer breaks such as Thanksgiving, Christmas, and Easter. During these times, students are not permitted access to the buildings. Before the dorms close for these holidays, residents will be required to properly check out with the Residence Life staff and turn in their door keys and secure cards. Residents may leave personal belongings in their rooms during these breaks.

Students who need housing accommodations during these breaks will be required to apply for Holiday Housing. Holiday housing privileges will be granted at the discretion of the Director of Residence Life and must be approved no later than one week prior to the posted dorm closing. Students can anticipate a charge of \$5 per night to stay in the Residence Hall during the holiday.

Athletes and international students who need to stay additional days past the end of the semester, or who need to return early (before residence halls officially open), must have their coach or International Student Advisor send a written request to the Office of Residence Life at least a week before the additional days are needed. The Residence Life office has no obligation to make provisions for such students if requests are not submitted on time.

Please note that all international students and athletes will be charged the same rate as holiday guests if they fail to meet the deadline to apply for holiday housing.

Residence halls close for maintenance and housekeeping at the end of the spring semester. During these times students are not permitted access to the buildings and must remove all personal belongings from their rooms.

Students who register for classes or stay in the area for summer employment can apply for summer housing at the rate of \$85 per week. Summer residents must pay two weeks rent in advance prior to moving into the assigned room. Payments must be made on a weekly basis thereafter. Failure to pay rent in a timely manner may result in removal from the residence, denial of further housing privileges, and denial of permission to register/attend classes until the balance is paid.

Please note that living on campus during the holidays and summer terms is a privilege. Students who are found in violation of housing policies will have their residential privileges revoked during these times.

MAIN DESK

The central point of Cottingham Hall, English Village, and Tudor Hall is the main desk located in the lobby. A Residence Life staff member is available at the main desks of Cottingham and Tudor Halls, and English Village from 6pm until 10pm on each night except Wednesdays and Sundays to provide information and service students and guests.

Church Hall, College Drive Apartments, and Ware Street Apartments do not have a main desk area. If a student is in need of a staff member, Resident Assistants' and Dorm Directors' contact information is posted throughout the buildings.

RESIDENCE HALL ACCESS

Students who require access to Tudor Hall, Cottingham Hall, or Church Hall after 12 midnight may enter through the keypad lock door in the building. In the event of failure of a combination lock, residents should call: 1st an RA, 2nd their Residence Director. Security personnel will be dispatched to the defective entrance every hour to permit access to students. If this situation occurs, residence hall doors are to be opened only by authorized College officials.

The combination to a residence hall lock is privileged information. For safety and security reasons, the codes are provided for the exclusive use of persons residing in each building. Individuals who divulge lock combinations to unauthorized persons jeopardize the security of all residents. Offenders will be disciplined and fined \$50.

KEY SECURITY AND REPLACEMENT

Room keys are issued only by the authorization of the Residence Director of each building. Each student will be issued only one key to his/her room. A student may not possess keys to any other student's room. Students are not to exchange keys, duplicate keys, or pass keys to subsequent occupants of the room. Violation of this regulation is considered a serious offense and disciplinary action will be taken. Unauthorized possession of a master key, or any key for other than its designated purpose, is also a serious offense and may result in disciplinary action.

Lost keys or secure cards should be reported immediately to the Resident Assistant and/or Residence Director. Lost keys will be replaced at a cost of \$20.00 per key so the lock can be replaced. Students living in College Drive Apartments, Cottingham Hall, and Ware Street Apartments will be issued a secure card to access their residence hall. Unauthorized possession of a secure card is a serious offense and will result in disciplinary action. Lost or broken secure cards will be replaced at a cost of \$35.00 per card.

Cottingham Hall, Church Hall, and Tudor Hall are all equipped with keypads for security after hours. The codes to each of these doors will be given to the residents of the building only, and this information should remain confidential. These codes change periodically, and it is the responsibility of the Resident Life staff to inform the

residents of code changes. Sharing the building codes with non-residents is a serious offense and will be treated accordingly. There will be a fine of \$50 issued for sharing the codes with anyone of the opposite sex.

HEALTH AND SAFETY

HEALTH EMERGENCIES

Any Louisiana College student needing medical attention may seek aid from the College's Health Services office, located on the 2nd floor of the Hixson Student Center. In the event of a health emergency, any member of the Residence Life staff may take students to the Emergency Room of a local hospital.

MISSING STUDENT NOTIFICATION

Louisiana College takes student safety very seriously. To this end, the following policy has been established concerning students who live in College-owned campus housing who, based on the facts and circumstances known at the time to College officials, are presumed to be missing. Most missing person reports in the college environment result from students changing their routines without informing roommates and/or friends of the change. For the purposes of this policy, a student will be considered missing if a roommate, classmate, faculty member, friend, family member, or other campus person has not seen or heard from the person in a reasonable amount of time. In general, a reasonable amount of time is 24 hours but may vary with the time of day and information available regarding the missing person's daily schedule, habits, and reliability. Individuals will also be considered missing immediately if their absence has occurred under circumstances that are suspicious or cause concerns for their safety.

Purpose

This policy establishes College standards and procedures for notification of law enforcement, parents or guardians, and student-identified contacts when a student who resides in College housing is reported as missing or has been determined to be missing. This policy applies to students who reside in campus housing. This policy applies to "missing persons" and is distinct from policies related to "welfare checks."

Missing Person

For purposes of this policy, a student may be considered to be a "missing person" if the person's absence is contrary to his/her usual pattern of behavior and/or unusual circumstances may have caused the absence. Such circumstances could include, but not be limited to, a report or suspicion that the missing person may be the victim of foul play, has expressed suicidal thoughts, is drug dependent, is in a life threatening situation, or has been with persons who may endanger the student.

Student Disclosures

Prior to occupying College housing, students will be informed of the following:

1. The University will notify College Security and the Dean of Students if a student is reported missing;
2. Students may identify a person to be contacted by the College not later than 24 hours after the time that the student is determined to be missing in accordance with the official notification procedures;
3. The University is required to immediately notify a custodial parent or guardian if a student, who is under 18 years of age and not an emancipated individual, is determined to be missing; and
4. The University is required to notify law enforcement no later than 24 hours after the time that the student is determined to be missing.

Confidential Contacts

Prior to occupying College housing, students will be given the opportunity to designate an individual or individuals to be contacted by the College in the event that the student is determined to be missing (per the policy). A

designation will remain in effect until changed or revoked by the student. The emergency contact information will be treated as confidential. Only authorized campus officials and law enforcement officers in furtherance of a missing person investigation will have access to the confidential contact information and it will not be disclosed to others.

Suggestions for Personal Safety

1. Let friends and roommates know where you are going and when you expect to return
2. If your plans change, let your friends, roommate, family know of the change
3. Be cautious when accepting drinks, rides, gifts, etc.
4. Keep your cell phone charged and with you when out of your room
5. Stay in groups or with at least one trusted friend when going off campus
6. DO NOT leave friends in unfamiliar locations or situations or with people not known well by you or your acquaintances

FIRE SAFETY

Louisiana College is subject to the laws of the state of Louisiana, and our facilities are regularly inspected by the Fire Marshall. Adherence to fire safety policies is mandatory, and violations will be subject to disciplinary actions and possible criminal prosecution.

ALARM SYSTEMS

All residence halls are equipped with fire safety alarm systems. If a fire is detected, activate the alarm system and contact the Residence Director immediately. Unnecessary activation of fire alarm systems or use of fire control equipment is a violation of state statutes and is punishable by law. Louisiana College will deal with the offense seriously. *Minimum sanction: students will be fined \$200 and placed on probation.*

Residents can expect each residence hall to conduct a minimum of one fire drill per semester. All fire alarms are to be treated seriously and failure of any resident to vacate the building when an alarm sounds will result in a minimum of a \$50 fine for the first offense and a minimum \$100 fine for the second offense. *Fines will double with each successive violation!* Residents will receive instruction at an informational meeting at the beginning of the semester on the fire procedure for his/her assigned residence hall.

ARSON

Arson is knowingly setting fire to or burning property. The college holds zero tolerance for arson committed by students or their guests. Alleged acts of arson will be investigated and punished to the full extent of the law. Arson is a felony offense. Criminal penalties include prison and substantial fines.

CANDLES

Incense, candles, oil lamps, potpourri burners, torches, flammables, and any other items that require or generate open flames are not permitted in residence halls. Students found in violation of this policy will be fined and the items confiscated. Continued violation could result in the removal of the resident from the residence hall and possibly result in suspension from the college.

APPLIANCES

The use of certain appliances is a violation of fire and safety standards. Students may not have large appliances in their rooms. Air conditioners, electric heaters, hot plates, electrical skillets, halogen lamps, grills, toasters, coffee pots with hot plates, sandwich makers, and waffle irons are specifically forbidden (there is an exception for CDA, WSA, and EV; small kitchen appliances are allowed in the kitchen area only). Grills must be used at least 50 feet from the building. Under no circumstance should a grill or smoker be used on the English Village boardwalk. The storage of propane tanks in residence halls is also strictly forbidden. If any item in question is not listed here, it is the discretion of the Residence Life staff to determine whether or not the item will be permitted for fire and safety reasons.

Microwaves, televisions, stereos, DVD's/VCR's, and small refrigerators are permitted; however, a room can yield only one of each. It is the responsibility of each resident to contact his/her roommate to make sure these items are not duplicated. Students should consult the Residence Director if the use of an appliance is questionable.

The use of extension cords in residence halls is strictly forbidden. Overloading an electrical outlet is the leading cause of fires in residence halls and homes. Therefore, violation of this policy will be treated seriously. The use of power strips/surge protectors is permitted. Plugging more appliances into a power cord than it is intended to supply is a fire hazard and is also forbidden.

MAINTENANCE OF FACILITIES

ROOM INVENTORY AND DAMAGES

The Residence Life staff will complete a room inventory form before the resident moves any belongings into the room. Residents will sign to verify the information is correct before he/she moves in. Upon termination of room occupancy, the room will be inspected by the Resident Assistant who will note any condition(s) that are different from check-in. The damages will be assessed, and the student will be billed for the cost of the repairs. It is the responsibility of the student to respect facilities of the College. Incidental wear and damage that results from normal use is a matter of routine maintenance and not the responsibility of the student.

Prevention and reporting of vandalism or damage to residence halls, academic buildings, or any other campus facility is an obligation of every individual in the LC community. Activity or behavior associated with such damage could result in danger for members of our community and is not acceptable. For damages in residence units where the individual(s) responsible cannot be identified, each of the residents of the unit/area must pay an equal share toward the cost of repairs. If repeated incidents or major damage in a residential unit occurs, and if the individual(s) responsible cannot be identified, social privileges of the occupants may be revoked until such time that the residents demonstrate a commitment to appropriate behavior and can give reasonable assurance that no further damage will occur. If the individual(s) responsible for damage can be identified, accountability will be assigned accordingly and will include restitution and a fine.

DAMAGE DEPOSIT

All residents must have a \$75.00 damage deposit on account prior to occupancy. Funds from this deposit will be used to defer the cost of damages, outstanding bills, or improper checkout upon termination of residency. Residents who vacate rooms during a term may be reimbursed for the damage deposit when a staff member checks the condition of the room, the resident returns the room key to the Residence Director, and files a written request for a refund with the Director of Residence Life. Failure to check out properly will result in the forfeiture of the room deposit and possible additional fines. Residents who leave the college during the summer break may receive a refund by following the above procedure and submitting a written request to the Director of Residence Life at least thirty (30) days prior to the end of the term. Residents are responsible to provide the correct and current mailing address for refund checks.

RESIDENCE HALL AND VEHICLE INSPECTION

Resident Assistants will conduct weekly room checks to assure that all policies and procedures are followed in the residence halls. Residents do not have to be present for the room checks to be completed. The Residence Life staff has the right and responsibility to check in closets, microwaves, refrigerators, and under furniture without express consent. Violations reported during routine room checks will be dealt with according to the Louisiana College *Student Handbook*. More serious violations will be assessed with consequences imposed by the Vice President of Student Life and/or the Judicial Committee or Board.

The College reserves the right to enter and search any room or vehicle if a violation of College regulations is suspected or if materials in violation of *The Student Handbook* are observed. Rooms and vehicles may be randomly searched for illicit drugs and other illegal contraband and drug dogs may be used in these searches. Authorization for searches can be granted by the President of the College, the Vice President of Student Development, the Dean of Students, or the Director of Residence Life. If it appears that a delay could result in danger to individuals or property, or the destruction or disposal of evidence or contraband, the room or vehicle will be searched without prior authorization from Administration. In such cases, the Administration will be notified as soon as practical.

Reasonable effort will be made to conduct the search in the presence of an occupant of the room or the person who registered the vehicle on campus. At least two college employees will be present during a search and a list will be made of items confiscated during the search. The college employees present will sign and date the list, and the occupant/owner will be asked to sign the list to certify what was taken, not as an admission of guilt.

MAINTENANCE AND REPAIRS

Maintenance requests should be reported to a Resident Assistant or Residence Director as soon as possible. In order for maintenance issues to be addressed in a timely manner, it is the responsibility of the residents to notify the RA with details of the issue(s). The requests will specify the nature and exact location of the problem. Should a maintenance problem persist, the resident should inform the staff again. Emergency maintenance needs should be reported as soon as they are discovered. If repairs are due to neglect or abuse by a resident(s), the resident(s) will be required to pay for repairs or replacement. In addition, fines may be imposed.

Residents do not have to be present when the repairs are completed. Under these circumstances, maintenance or housekeeping will leave documentation in the room to notify the occupant that repairs have been completed or when they can expect them to be completed if they must come back to finish the work.

PETS

Pets, except for fish in aquariums, may not be kept in the residence halls, married student housing, or on campus. Students found in violation of this policy will be fined a minimum of \$100.00 and subject to further disciplinary action. The fine for a pet will double with each subsequent violation and after the third offense residence hall privileges will be revoked. Also, students who feed stray animals on campus, including but not limited to cats, dogs, squirrels, etc., will be fined a minimum of \$50.00.

PETS for Students with Documented Disabilities (Proposal for ESA Students)

LC allows ESAs (Emotional Support Animals) in resident students' rooms provided appropriate documentation from a physician and/or psychologist confirms an emotional disability*. A support animal for physical impairment will be allowed to assist a student outside residence halls, but a student with an ESA must keep the animal in his/her residential room.

In line with current Federal policy** concerning Emotional Support Animals, consider the following guidelines that we require should a student elect to attend LC and utilize an Emotional Support Animal:

1. The pet must be clean and odor free
2. The pet must remain in your room at all times
3. The room must remain clean and odor free

*Establishing that the support animal is necessary in order to use and enjoy the residence is critical. Courts have consistently held that a tenant requesting an emotional support animal as a reasonable accommodation must demonstrate a relationship between his or her ability to function and the companionship of the animal. See, e.g., *Majors v. Housing Authority of the County of DeKalb*, 652 F.2d 454 (5th Cir. 1981); *Housing Authority of the City of New London v. Tarrant*, 1997 Conn. Super. LEXIS 120 (Conn. Super. Ct. Jan. 14, 1997); *Whittier Terrace v. Hampshire*, 532 N.E.2d 712 (Mass. App. Ct. 1989); *Durkee v. Staszak*, 636 N.Y.S.2d 880 (N.Y.App.Div. 1996); *Crossroads Apartments v. LeBoo*, 578 N.Y.S.2d 1004 (City Court of Rochester, N.Y. 1991). In order to qualify for a reasonable accommodation under the FHA, § 504, or the ADA, the tenant must meet the statutory definition of having a "disability." The statutes recognize three broad categories of disabilities: (1) a physical or mental impairment that substantially limits one or more major life activities (such as walking, seeing, working, learning, washing, dressing, etc.); (2) a record of having such an impairment; or (3) being regarded as having such an impairment.

**If the emotional assistance animal is particularly disruptive, or the tenant fails to take proper measures to ensure that the animal does not bother other tenants, however, the landlord may be justified in denying the accommodation or ultimately filing for an eviction. See, e.g., *Woodside Village v. Hertzmark*, FH-FL Rptr. ¶ 18,129 (Conn. Sup. Ct. 1993), in which the court found that a federally assisted housing complex did not violate the Fair Housing Act by evicting a resident with mental illness for failure to walk his dog in designated areas and to use a pooper-scooper. This view has been endorsed by a number of courts within the context of other reasonable accommodation claims under the FHA, ADA and § 504. See, e.g. *Sullivan v. Vallejo City Unified School District*, 731 F.Supp. 947, 958 (D.C. Cal. 1990).

SMOKING

Louisiana College has a storied history of enhancing the life of its students, faculty, staff, and its community, Pineville, LA. As a Christian institution, LC has a moral obligation not only to promote learning, but to promote healthy behaviors. For many years, LC has prohibited the use of smoke tobacco products within its buildings and near certain entrances. On March 1, 2012, LC transitioned from a smoking restricted campus to a **tobacco-free** campus.

This policy applies to all frequenters of the campus: trustees, administrators, faculty, staff, students, contractors, vendors, clients, and visitors.

Sale and use of tobacco products on campus is prohibited. The free distribution of tobacco products on campus is prohibited. All tobacco advertising in public spaces, such as billboard and signage, is prohibited. Tobacco advertisements are prohibited in College publications.

The success of this policy hinges on the courtesy and cooperation of all members of the Louisiana College community. If verbal reminders are unsuccessful, and a person knowingly continues to violate the policy, please report the person to the Office of Safety and Security for review and action.

Students are expected to comply with all College policies. Non-compliance of the tobacco-free policy should be reported to the Safety and Security Department and the Office of Student Development. The Safety and Security

Department will issue citations for all community members. Violations will result in fines and/or other disciplinary actions.

ALCOHOLIC BEVERAGES AND ILLEGAL DRUGS

Alcoholic beverages and illegal drugs (including prescription drugs in the possession of someone other than the person designated by the prescription) are prohibited on campus. Clothing and posters advertising or advocating these items are also prohibited. Violations will result in disciplinary procedures as outlined in The Student Handbook.

GUEST HOUSING

Louisiana College does not provide guest housing due to limited space in the residence halls. Resident students may have overnight guests of the same sex with prior approval of their roommates and their Residence Director. Requests to have guests stay in the residence halls should be submitted to the Residence Director at least 24 hours in advance of the guest's arrival. When the guest has arrived they must sign in with a Resident Assistant. Guests are not permitted to stay longer than 2 consecutive nights without permission of the Residence Director. Guests are also not permitted to stay in the residence halls for more than 3 nights a week. All other requests should be submitted to the Residence Director and must be approved by the Director of Residence Life. Residents are responsible for the conduct of their guests and should thoroughly inform guests of College policies. Guests are expected to comply with the rules of the College as noted in the Student Handbook. Resident students may be held accountable for, and be disciplined for, violations and damages caused by their guest(s). Failure to gain approval of an overnight guest from a Resident Assistant, or sign in with a Resident Assistant upon guest's arrival will result in a \$100 fine.

LAUNDRY

Each residence hall is equipped with laundry services and vending machines. Students are requested to show consideration for other residents by the prompt removal of clothes from washers and dryers. Clothes left in the laundry room for more than 48 hours will be removed and taken to Goodwill. Monetary losses or mechanical problems with laundry machines should be reported to the RA. *Louisiana College is not responsible for the loss, theft, or damage of clothing in the residence hall laundry rooms.* A laundry fee is added to each resident's account at the time of registration in order to provide coin free laundry services. The laundry fee is subject to change without advance notice.

GENERAL REGULATIONS

RESIDENCE HALL CHECK IN PROCEDURES

Residence halls will officially open on Saturday, August 13, 2016, at 10:00am for freshmen and Sunday, August 14, 2016 at 2:00pm for upper classmen. The Residence Life staff will conduct check in when students arrive. A health insurance card, emergency contact information, a cell phone number for the resident, and the license plate number of the vehicle the student will drive on campus will be required to be kept on file. Students are responsible for notifying Residence Life when this information changes. Students will not be permitted to check in to the residence hall without proof of meningitis vaccination on file with the Louisiana College Health Services Office.

After receiving the room key, an RA will show the student to his/her room and complete the room inventory form with the student. This form is used to record any existing damages in the room (blinds, carpet, furniture, etc.). After the form is completed the student will be allowed to move belongings into the room. This same form will be used

to check students out of the dorm upon leaving the college. The purpose of this form is to ensure that students are not charged for damage that s/he did not cause.

MANDATORY RESIDENCE HALL MEETINGS

Mandatory hall meetings are called by the Director of Residence Life, Residence Directors, or Resident Assistants to inform students of pertinent matters. Every resident is required to attend these meetings. Disciplinary action will result and a fine of \$25.00 will be assessed for residents who miss a mandatory meeting. If a resident knows that s/he will be unable to attend a mandatory residence hall meeting (due to work, school, athletic responsibilities), s/he is responsible for notification of the RA and application for an exemption. This exemption must be requested at least 48 hours in advance of the scheduled meeting. Approval of the exemption is at the discretion of the RD, or Director of Residence Life. If an exemption is granted, it is the responsibility of the resident to schedule time with the RA to obtain the information shared at the meeting. Failure to apply for an exemption or to follow-up with an RA, or to attend a meeting without an exemption, will result in a \$25 fine. Residents will be required to abide by all Residence Life policies and procedures shared in residence hall meetings, regardless of whether or not the resident attended the meeting in which rules were changed or added.

ROOM CHANGES

Room change requests must be processed and approved by the Residence Director and agreed upon by all parties involved. Room changes are processed during the first two weeks of each semester. Once room assignments are finalized, additional room changes will be made at the discretion of the Director of Residence Life. The resident will be responsible for additional room charges that result from a room change, should the cost of room rental be more than the original fees assessed.

Upon approval to make a room change, it will be necessary for the resident to check out of the original room and return the key to the RA. Failure to check out properly upon a room change will result in a fine of \$25. The resident will be given 48 hours to remove all belongings from the originally assigned room once the resident has been issued the key to the new room. If possessions remain in the original room after 48 hours, the resident will be fined \$25 for failure to comply with policies and procedures.

ROOM CONSOLIDATION

If a student is left without a roommate for any reason within the first 5 weeks of any semester, the student may be required to consolidate rooms with another student who does not have a roommate unless s/he agrees to pay for a private room. This policy ensures that all persons that have the privilege of a private room are treated equally. Consolidation means that the student will either have to select a new roommate, or will be moved to another room with a roommate. Students will be given the option to choose their own roommate and decide who will move. The Residence Director is available to help with consolidation and will provide names of persons who need roommates. If a student fails to make their own arrangements, the college will reassign the student to another room, or assign the student a new roommate. After 5 weeks of classes, students who are left without a roommate are exempt from consolidation (and private room fees) unless unusual circumstances warrant consolidation.

COURTESY HOURS

Reasonable quiet is expected in residence halls at all times. In order for residence halls to best meet the needs of all students, all residents must be considerate of their neighbors' needs, including their need for quiet time. Courtesy hours will be observed in each residence hall nightly from 10:00 p.m. until 8:00 a.m. All students and their guests are expected to observe these hours and provide an atmosphere conducive to study.

Courtesy hours prohibit the following:

- Loud stereos and televisions in your room or lounge areas
- Speakers placed against walls adjoining a neighbor's room
- Loud conversations or laughter in your room, lounge areas, or hallways
- Running anywhere in residence halls creates a safety hazard, disruption, and potential problem for others
- Slamming doors in any part of the dorm
- Yelling down the hall or any noise/behavior that infringes on the rights of others.

Students who are disturbed by noise are should notify the RA if they are unable to resolve the problem. The RA will act as a mediator and request residents and guests to comply with courtesy hours. If cooperation does not occur, the RA or the resident should contact the RD for assistance. Consistent violations of courtesy hours will be referred to the Dean of Students as a disciplinary matter. Disciplinary action may include, but is not limited to: community service, fines, possible removal from campus housing, and/or dismissal from the college.

ROOM VISITATION/OPEN HOUSE PRIVILIGES

Visitation in an on-campus room or apartment, assigned for occupancy by members of the opposite sex, is forbidden without the expressed permission of the Residence Director. Please be advised that this policy also applies to parents and siblings of residents. Open house privileges apply to all residence halls with the exception of married student apartments.

For the convenience and courtesy of residents, open house hours are scheduled regularly according to the following established College policies:

1. A guest must be a minimum of 18 years of age unless s/he is a current full-time student of Louisiana College or a family member.
2. Guests must enter the residence hall through the main entrance, or the entrance closest to the back desk check-in area.
3. Guests must leave their student ID's with the RA on duty at the residence hall office.
4. Residents must meet their guests at the sign in area and escort them to their room or a lounge area. A resident may not check another resident's guest into the dorm.
5. Guests must conduct themselves according to the rules of the College and of the residence halls. This specifically includes quiet hours.
6. Rooms must be well lit (overhead lights must be on at all times) and the doors must remain open and unlocked.
7. Residents, and their guests of the opposite sex, are not permitted to lie on dormitory beds for any reason. They also may not be under the same blanket on any piece of furniture.
8. Residents, and their guests of the opposite sex, must keep their feet on the floor when sitting on the same piece of furniture.
9. At the conclusion of the visit, or the conclusion of Open House hours, guests must be escorted back to the residence hall office area by their host to reclaim their ID and check out.
10. A roommate's privacy, plans, needs for rest and quiet time must be considered when a resident plans to bring a guest to the room.
11. Guests must use designated opposite sex restrooms during their visit. These restrooms are located in the lobby areas, and it is the responsibility of the resident to escort the guest to the restroom and back again.

12. Guests are required to check out by the end of Open House hours and exit the residence hall through the same door they used to enter the building.

Open house rules apply to the common areas in the dorms and all buildings on campus. Failure to comply with open house rules will, at a minimum, result in the loss of Open House privileges for all parties involved for a minimum of one semester. Flagrant and repeated violations may result in severe disciplinary action. Residents who live in English Village, Church Hall, College Drive Apartments, and Ware Street Apartments and violate the open house rules will be required to move to Cottingham Hall or Tudor Hall.

THEFT AND VANDALISM

The College is not responsible for theft or loss of personal belongings maintained in residence halls. Incidents of theft or vandalism should be reported immediately to the Resident Assistant or Head Advisor/Residence Director. Security personnel will coordinate the investigation of all thefts and vandalism. Students are strongly advised to obtain insurance to cover losses through theft or vandalism. Students who are determined to be in possession of another student's property are subject to judicial sanctions.

TERMINATION OF RESIDENCY

Any student who wishes to vacate a residence hall, must complete an Exit Interview, submit a deposit refund request, have their room inspected by an RA, and turn in their room key. Each individual who wishes to terminate occupancy must complete the above procedure with a staff member. Failure to check out properly will result in the forfeiture of the damage deposit, a \$25 fine, key replacement cost, and charges for any damages to the room/residence hall. In addition, students will continue to be charged rental fees until they officially check out of the residence hall. Upon completion of the required paperwork and procedures, the student may be eligible to receive a prorated refund of pre-paid rental fees.

UNAUTHORIZED SOLICITATION AND SALES

Any form of unauthorized sales, solicitation, or door-to door-distribution of materials (including but not limited to, surveys or questionnaires) is prohibited. LOUISIANA COLLEGE COMMUNITY

Security is a community responsibility requiring the cooperation and responsibility of all members of the College family. Several members of the College community provide leadership in monitoring the safety and security of the campus.

SECURITY OFFICERS

A security officer is on duty and available to persons on campus seven days a week, 24 hours a day. If a security officer is needed, call 308-6505 (Cell) or 487-SAFE /7233 (Office).

EMERGENCY PROCEDURES

In the event of a campus-wide emergency, the Safety and Security Administrator (SSA) will act with complete and full authority to implement a plan for coping with the emergency. In the absence of the SSA, the President and/or the Vice President of Student Life will act as coordinator for emergency preparedness.

MEDICAL EMERGENCIES

In the event of a medical emergency, call 911 and notify Campus Security 308-6505 (Cell) or 487-SAFE (7233) (Office) immediately. State your name, location, and nature of the emergency. Only authorized persons (EMS) may transport individuals to area hospitals. Students are not to transport injured persons to medical facilities. All accidents must be reported promptly to the Safety and Security Department.

FIRE EMERGENCIES

In the presence of fire or smoke, pull the nearest alarm and immediately leave the building through the closest exit. Locate a telephone and call the Pineville Fire Department (442-4452), notify the Dorm Director of your action, and notify Campus Security at 308-6505 (Cell) or 487-SAFE (7233) (Office).

Residence hall evacuation plans are posted in each student room. Students should familiarize themselves with these plans in preparation for emergencies. Periodic safety drills will be conducted in each building in compliance with state law. Failure to evacuate a building or to comply with instructions during an evacuation will result in disciplinary action.

EMERGENCY EVACUATION PLAN

In the event of an emergency that requires the evacuation of the campus, all personnel will be directed to the Houston Smith Activities and Religious Education Building of the First Baptist Church of Pineville. Once the order to evacuate is given, unless directed otherwise, all persons will proceed to the Activities Building located adjacent to the First Baptist Church on Main Street in Pineville.

Only the Director of Public Information for Louisiana College or designee will be authorized to release information to various news media. Persons desiring information regarding emergency status should tune to KALBTV, KLAXTV, or local radio stations, KALB, KQID, KSYL, KRRV, KFAB, and KZMZ.

SCHOOL CLOSING

Decisions to close the campus or suspend classes will be made by the Administrative Council of the College, the President, or his designee, and publicized by the Director of College Communications. In the event of inclement weather or an emergency that necessitates the suspension of classes, students should tune to local radio stations for detailed information or call the College Operator ("O" or 318/487-7011).

ILLNESS

All illnesses should be reported as soon as possible to the Coordinator of Health Services (487-7750). If the Coordinator of Health Services cannot be reached, call your RA or Dorm Director. Only fully qualified persons should administer first aid.

Personal items should be secured by the student in a safe place (i.e. dormitory or vehicle) and is the sole responsibility of the owner. Personal items should be properly marked. The loss or theft of personal items should be reported immediately to the Safety and Security Department. Security personnel will assist in coordinating the investigation of property loss with local officials. All found property that is turned in to the Safety and Security Department is stored in the Safety and Security Department office. To claim found property items, individuals must present a valid Driver's License, Louisiana College photo ID card, or a valid photo ID card from another source; military ID or another state photo ID card. Individuals must be able to accurately describe the property that was lost in order to claim that property.

NOTE: Property with little or no monetary value and properly considered to be a health hazard such as chemicals or food containers will be destroyed.

SAFETY ESCORT PROGRAM

Safety escorts are provided to locations on campus during the hours of darkness. To request a safety escort, contact the Safety and Security Department.

PARKING AND TRAFFIC REGULATIONS

Traffic regulations provide for the safety of pedestrians and drivers alike. Listed below are policies governing parking and traffic on campus.

Permits Required for Parking

Only vehicles conspicuously displaying a current College permit may park on College property including Residence Halls and parking lots. Special parking areas are provided for the disabled, visitors, faculty and staff. The Safety and Security Department will issue parking permits during registration to those students requiring a parking permit(s).

During registration, students will complete a form describing the make, model, color, and license plate of their vehicle. A current parking permit must be prominently displayed. Properly displayed is as follows: must be placed on the lower corner of the back windshield or bumper directly behind the driver's side of the vehicle by removing the paper from the back of the decal and permanently sticking the decal using the adhesive provided (this does not

include tape). Decals placed on the inside of windshields and taped to bumpers will not be accepted. Only one current year permit will be displayed on the vehicle. A replacement permit or first time registration permit may be obtained from the Registrar’s office during the school year. Motorcycles must also be registered and the permit displayed in a conspicuous place.

The individual in whose name the vehicle is registered is responsible for all parking violations. CODE OF STUDENT CONDUCT

POLICIES AND PROCEDURES

CODE OF STUDENT CONDUCT

The Louisiana College Code of Student Conduct exists to reinforce Christian values, to further community and individual responsibility, to insure personal safety, and to instill respect for the rights of others. The Code is based on the same Biblical principles on which Louisiana College was originally founded. It is designed to be redemptive and to intentionally facilitate reconciliation between the offending student and the college community. Exceptions to this approach may occur when behavior is repetitive, self-destructive, hazardous to others, or involves a significant legal issue that the College is obligated to uphold.

Individual departments, groups, or organizations within the College may establish higher standards of student conduct. Each student is responsible for all applicable standards. Any sanctions imposed as a result of the violation of these higher standards are in addition to any sanctions imposed by the Office of Student Development. All students are required to respond immediately to any official request from a Louisiana College employee. Failure to respond may result in additional judicial charges and sanctions.

The Code applies to student conduct both on and off campus, and remains in effect for all students until they graduate or officially withdraw from the college, even when classes are not in session. Disciplinary guidelines are to be read broadly and are not designed to define potential violations in exhaustive terms. The Director of Residence Life will handle minor residence life issues or violations.

The process is designed to preserve the dignity and privacy of each individual. Confidentiality of disciplinary proceedings is maintained at all levels with the following exceptions: (1) Appropriate authorities will be notified when students are at risk to harm self or another individual or group, or when a student is alleged to have committed a crime. (2) If an accused student chooses to disclose confidential information regarding judicial proceedings, then the right to confidentiality will be deemed to be waived. The alleged breach of confidentiality will be investigated and accurate information may then be released to vindicate the actions of the college and the judicial process. (3) The parents of dependent students who violate the Code of Student Conduct may be notified at the discretion of the Dean of Students.

STUDENT RESPONSIBILITIES

Every student admitted to Louisiana College assumes an obligation to:

- A. Understand and abide by the Code of Student Conduct including the student judicial policies and procedures as well as city, state, and federal laws. If studying abroad, the student is also bound by the laws of the countries they visit.
- B. Help create and maintain a learning and living environment in which the rights, dignity, and worth of all persons are respected.
- C. Uphold Christian moral and ethical ideals with regard to academic pursuits, co-curricular activities, manners, social customs, dress, and personal behavior.
- D. Maintain responsible personal behavior as an individual, and as a member of a group or organization. All students are also responsible for the conduct of their campus guests.
- E. Respect people and property.

GENERAL INFORMATION

- A. **Student Conduct Records.** To assure student privacy, student conduct records and investigative materials related to violations of the Code of Student Conduct are kept separate from academic or administrative records and maintained in the Office of Student Development. The disclosure of information from the judicial records follows the Family Educational Rights and Privacy Act and the exceptions listed above. When disclosure is compelled by legal process or by student consent, authorization will be given only by the Dean of Students or the President of the College. Student conduct records are kept in confidential files for at least five years after the student leaves Louisiana College.
- B. **Residence Hall and Vehicle Inspections.** Louisiana College respects a student's right to privacy and guards against arbitrary and unnecessary intrusion. College personnel may enter a student's room to ascertain health and safety conditions, check the physical condition of the room, make repairs to facilities, perform custodial operations, and aid in emergency situations. Occupants are required to maintain their rooms in an orderly and hygienic manner. Residence hall staff will make periodic inspections of the rooms to insure that adequate living standards are maintained. Students failing to maintain adequate standards of cleanliness may be billed for custodial services. Inspections may lead to searches if materials in violation of the Student Code of Conduct are observed.
- C. **Search of Persons, Residence Halls, and Vehicles.** The College reserves the right to enter and conduct a search of any room if a violation of College regulations is suspected or if materials in violation of the Student Code of Conduct are observed. Authorization for searches can be given by the President of the College, Dean of Students, Director of Residence Life, or his/her designee. In situations where it is deemed that a delay to obtain authorization constitutes a danger to individuals or property, or may result in the destruction or disposal of contraband, the room or vehicle can be entered and searched without authorization. Individuals may also be searched if, in the opinion of College personnel, the person may be in violation of the Code of Conduct and may possess or hide evidence. Reasonable effort will be made to conduct the search in the presence of an occupant of the room, the person who registered the vehicle on campus, and a witness. Trained dogs can be used to assist in a search at the discretion of the Dean of Students or the Director of Residence Life. A search will be conducted by at least two College employees. A list of objects/items taken as the result of a search will be signed by all individuals involved in the search and witnesses. Any occupant present during the search will be asked to sign the list of objects/items being removed, not as an admission of guilt, but to confirm the items taken.
- D. **Off-Campus Conduct.** A student charged with a crime or serious violation off campus may be subject to the Louisiana College judicial process. The college reserves the right to initiate judicial proceedings against students if it is deemed to be in the best interest of the College, or if the offense is of a nature that represents a threat to the health, safety, and/or welfare of faculty, staff, or students. College judicial proceedings may be initiated against students separate and in addition to legal or criminal proceedings. The College may proceed with an investigation and sanctions prior to the resolution of any civil actions. Examples of off campus behavior that may subject a student to the College judicial process include, but are not limited to, illegal sale, distribution, or manufacture of drugs, physical assault, battery, rape or sexual assault, child or elder abuse, DWI, theft, murder, shoplifting, arrest and detention.
- E. **Immediate Temporary Suspension.** The college reserves the right to suspend a student immediately (prior to formal review) if in the opinion of the Dean of Students the student's continued presence is considered a behavioral or medical risk which poses potential danger to the student or the college community, or is otherwise incompatible with the orderly operation of the college.

Containers (e.g. bottles, cans, or boxes) that have contained or are designed to contain alcoholic beverages are prohibited on campus. Empty alcoholic containers will be considered evidence that a violation has occurred. Students who enter College property and/or facilities, or operate a motor vehicle while under the influence of, or after the consumption of alcohol (as determined by College personnel) are subject to judicial proceedings. Any individual present where a violation of this policy is in progress, whether in actual possession of alcohol or not, may be subject to disciplinary action. For the purposes of the College, the ability of a college representative to smell alcohol on a student's breath is considered evidence of being under the influence of alcohol. Group penalties for violation of this regulation may include the revocation of the organizational charter and/or judicial action against the students involved.

Any student who voluntarily seeks help through the Louisiana College Counseling Office or a Student Development Staff member for alcohol abuse prior to being charged with a violation of this policy will not be subject to the College judicial process. At any time and without prior notice, the College’s administration reserves the right to examine email, personal file directories, College computers, devices, and other equipment, and any information stored on College servers. This examination assures compliance with internal policies, supports the performance of internal investigations, and assists with the management of the College’s resources. The College also reserves the right to demand and recover College computers and to view information on computers or other equipment connected to any College network or server.

Complaints against any student, faculty, or staff member for violation of the Computer Use Policy will be referred to the Dean of Students or appropriate Vice President for consideration and appropriate resolution.

An investigation involves an inquiry into an incident. The investigation will be administered by a college official and may include the interview of community members involved in the case and verification of evidence regarding the alleged violation. A hearing will be held by a college official or student conduct committee. The accused student will be allowed to hear the charges and to present a response which may include evidence related to the disciplinary process. Sanctions will be imposed if the student is found to have violated the Code of Student Conduct.

PROCEDURE FOR REPORTING OFFENSES

Should the complainant fail to show up for a scheduled conference or hearing, the case may be dismissed at the discretion of the Dean of Students.

PROCEDURES FOR RESOLUTION

First Level/Resolution Conference: Any student or student organization accused of violating the Code of Student Conduct for the first time will participate in an informal Resolution Conference with the Dean of Students, or his or her designee. When appropriate, the complainant may also participate. Possible outcomes: (1) the Dean of Students dismisses the charges, or (2) the Dean of Students upholds the charges and imposes sanctions.

The Resolution Conference serves to resolve alleged violations in an informal setting. Once a complaint is filed with the Dean of Students, the accused student will be contacted to schedule an appointment for the Resolution Conference. The Resolution Conference will involve the accused student, the Dean of Students (or designee), and a witness selected by the Dean of Students (i.e. a member of the Student Development staff). The accused may be accompanied by a non-attorney member of the faculty or staff, who will not otherwise participate in the Resolution Conference. The Dean of Students (or designee) shall notify the student of the right and obligation to participate in the conference at least 72 hours in advance of the meeting. In order to expedite the hearing, the student may waive the right to the 72 hour notice. Accused students may be accompanied by a person they choose, however this person may not be an attorney. This person will not participate in the hearing unless invited to do so by the Dean of Students. The Resolution Conference is not a court of law and formal rules of evidence are not necessary. Records of the conference will be maintained in the Dean of Students office.

After hearing all of the evidence, the Dean of Students may either, (1) dismiss the complaint or, (2) uphold the charges, impose sanctions, and prepare a Resolution Document. The Resolution Document will include a description of the violation as well as any sanctions imposed. A written copy of the Resolution Document will be made available to the accused student as soon as practical following the Resolution Conference. The accused student is responsible for picking up a copy of the Document once it is completed. The student must sign the document as an indication that s/he has received and read the decision.

If the accused student agrees to and signs the Resolution Document within one business day of receipt of the document, the sanctions described therein will be imposed, the judicial process is complete, and the Resolution Conference decision may not be appealed. If the student does not sign the Resolution Document or request an appeal, the sanctions will be upheld. If the accused student disagrees with the findings or sanctions imposed in the Resolution Conference, the student may appeal the matter to the second level of the student conduct process.

Second Level/Student Appeals Committee:

Decisions of the Dean of Students in the Resolution Conference may be appealed by the accused student or the complainant for any of the following reasons: (1) procedural error, (2) new evidence not available for the resolution conference but significant enough to potentially impact the decision made by the Dean of Students, (3) unsupported conclusions, or (4) disproportionate sanctions. Appeals must be made in writing to the Student Appeals Committee within 72 hours of notification of the decision by the Dean of Students.

Each year, the President, using the normal committee selection process of the College, appoints nine members to the Student Appeals Committee. The Committee consists of one administrator, four faculty members, and four students. The responsibility for participating in Student Appeals Hearings will rotate among the four faculty members and the four student members on a case-by-case basis as available. A quorum consists of the chair and three members including at least one student. The requirement for student participation will be waived if the hearing is to occur during academic breaks, the last week of the fall or spring terms, finals, May or Summer terms. Students who have a prior relationship with the disciplined student must recuse themselves from the process.

If the Appeals Committee decides to hear the case, they may (1) dismiss the charges, (2) uphold the charges and sanctions made by the Dean, or (3) uphold the charges and modify the sanctions. If the Appeals Committee refuses to hear the appeal, the original decision and sanctions imposed by the Dean of Students will be implemented.

The accused and the complainant may present their cases to the Student Appeals Committee.. The accused will be given a minimum 72 hours' notice of the hearing. Notices may be given by phone, in person, or hand-delivered. Students living off-campus will normally be contacted by phone. The person responsible for delivery of the notice, will document and sign the date and time of delivery of the notice to the accused. In the event the accused refuses to accept delivery, such refusal will constitute notice and will also be noted and documented in writing. In order to expedite the judicial process, an accused student may waive the 72 hour requirement. If an accused student is unavailable for notice to be delivered, or refuses delivery, the student may forfeit rights to a second level hearing.

The Dean of Students, if needed, will answer procedural questions posed by the Student Appeals Committee. The Dean of Students will attend hearings to present the judicial record and respond to questions from the Committee. The Dean of Students will not otherwise take part in the Hearing. The accused student may be accompanied by a person of his or her choice, who cannot be an attorney. This person may not actively participate in the proceedings unless requested to do so by the hearing board, and will only be allowed to be present in the hearing room during the questioning of the accused by the hearing board. If this person becomes disruptive, the hearing board may dismiss him/her from the proceedings. If the accused student fails to appear before the hearing board, the sanctions will be upheld and no further appeal will be permitted.

The complainant may also be accompanied by a person of his or her choice, who shall not be an attorney or a witness in the case. This person may not actively participate in the proceedings unless requested to do so by the hearing board, and will only be allowed to be present in the hearing room during the questioning of the complainant by the hearing board. If this person becomes disruptive, the hearing board may dismiss him/her from the proceedings. If the complainant is requested to appear before the hearing board but fails to do so, the case may be dismissed.

The accused student has a right to explain to the Student Appeals Committee the facts related to the incident(s), why he/she is not guilty, and/or why a sanction is not warranted. Witnesses for both the accused and the complainant may be called into the room to provide information supporting or refuting the alleged violation(s). Witness testimony should focus on the event in question. All questioning of witnesses, including the accused and complainant, will be conducted by the board. Neither the accused nor the complainant may question witnesses, nor be allowed in the hearing room while such questioning takes place. The accused student is not allowed to cross-examine witnesses or the complainant during any of the proceedings. The Committee has the discretion to include or exclude testimony as it deems fair and appropriate under the circumstances.

After all statements, questions, and supporting information have been submitted, the Committee will go into an executive session to make its deliberations. The decision of the Committee will be by majority vote. The chair of the Student Appeals Committee will submit a written copy of the Committee's findings to the Vice President for Student Development, who will notify the accused student within 72 hours of the decision.

Tape recordings and/or written notes will be maintained during the presentation of the case. However, deliberations of the Student Appeals Committee will NOT be recorded under any circumstance. All taped and written evidence, including evidence of prior offenses by the accused, presented at any level of the judicial process will be available at any and all subsequent hearings.

Third level/President: The decision of the Student Appeals Committee may be appealed to the President of the College, or the designee of the President, only if the sanction imposed involves expulsion. Otherwise, the decision of the Student Appeals Committee is final.

Non-appealable Disciplinary Offenses

While the College is fully committed to a disciplinary process that is both fair and expeditious, it is recognized that some disciplinary offenses are of such a severe nature that they may threaten the campus community and/or the safety of students, faculty and staff.

Therefore, the following offenses have been designated as non-appealable. This means the finding of the original disciplinary hearing will be imposed immediately without the right to appeal. These include:

- a. Illegally possessing, using, selling or distributing any type of narcotic, marijuana, stimulants, hallucinogens, or other similar drugs and/or chemicals on or off campus.

- b. Possession or use of any weapon, i.e. guns, knives, explosives. A “weapon” may be defined as any object that is used with the intent to inflict harm.

POSSIBLE SANCTIONS FOR CODE OF STUDENT CONDUCT VIOLATIONS

Responsible disciplinary action is designed to hold a student accountable for behavior while providing the opportunity to learn from mistakes and grow in character. Judicial sanctions are imposed upon a student or student organization for violation(s) of the Code of Student Conduct. Designated College officials and committees investigate violations and determine the appropriate sanctions if warranted. Under some circumstances, severe sanctions such as suspension, denial of a degree, or expulsion from the college may be imposed upon the first violation. Investigative records and notices of sanctions become a part of the student’s conduct record and may be considered in any future proceeding by a student conduct committee, Vice President, Dean of Students, or other College official. Government agencies, graduate schools, and prospective employers often inquire about a former student’s disciplinary records. A student who violates the Code of Student Conduct is subject to one or a combination of the following sanctions:

- A. Interim Suspension: suspension of hours or days while awaiting further judicial action. The Dean of Students or his/her designee may impose an interim suspension: (1) to ensure the safety and well-being of the student and members of the College community (2) to protect College property or (3) to prevent disruption or interference with the normal operations of the College. During an interim suspension, the student shall be denied access to the residence halls and/or to the campus (including classes) and/or all other College activities or privileges for which a student might otherwise be eligible, as the Dean of Students may determine to be appropriate. Students found in violation of the terms of an interim suspension are subject to expulsion from the College and to prosecution under local, state, and federal laws. Non-students are subject to prosecution under local, state, and federal laws and may be disallowed on the campus.
- B. Censure: a written reprimand for violation of specified requirements of the Code of Student Conduct.
- C. Restitution: the reimbursement for damages to or misappropriation of property. This may take the form of appropriate service or other compensation. Common assessment may be made to groups of students for damage occurring in common areas shared by group members, such as residence hall lobbies or hallways.
- D. Fines: a monetary penalty may be imposed in addition to restitution.
- E. Community Service Hours: the student or student organization is required to perform or complete a task for a specific number of hours within a specific time period.
- F. Educational Assignments: may include but are not limited to attendance at educational programs, preparation of personal essay(s), written reflection on issues relevant to one’s violation of the Code of Conduct, or involvement in a mentoring process/relationship.
- G. Counseling: students may be referred for counseling, either on campus or to an appropriate professional agency, at the expense of the student. A series of private conferences with the student may be scheduled to help the student better assume responsibility as a mature citizen, adjust to the behavioral standards of the College community, and be considerate of other people and their rights.
- H. Suspension of Privileges: limitation of activities or privileges for a designated period of time. The violator may be prohibited from active participation in extracurricular clubs, governing groups, varsity athletics, intramural programming, and other student activities. While a student may continue to attend classes and practice varsity athletics, the student is not allowed to represent the College in public performance venues.

This includes, but is not limited to, debate tournaments, musical and theatrical performances, and athletic events.

- I. Suspension of the Use of a Motor Vehicle on Campus: prohibits the student from having or operating a motor vehicle on campus and/or permitting someone else to operate a motor vehicle he/she owns or has in his/her possession.
- J. Confiscation: removal of offensive or prohibited property.
- K. Eviction: prohibition or removal of a student from residence halls or other campus facilities as designated in a written notification.
- L. Judicial Probation: the student or student organization is placed on supervisory status for a specified period of time. Judicial Probation may include the loss of some privileges, such as participation in College activities, holding any student office or committee chair, or use of College facilities or services. Additionally, no student on Judicial Probation will be allowed to participate in any overseas program. The continued enrollment of the student depends on the maintenance of satisfactory citizenship during the period of probation.
- M. Indefinite Judicial Probation: the student or student organization is placed on supervisory status for an indefinite period of time to remain in effect until such a time as the official in charge shall determine that the probationary status should be lifted. Indefinite Judicial Probation may include the loss of some privileges, such as participation in College activities, holding any student office or committee chair, or use of College facilities or services. Additionally, no student on Indefinite Judicial Probation will be allowed to participate in any overseas program. The continued enrollment of the student depends on the maintenance of satisfactory citizenship during the period of probation.
- N. Areas Placed Off Limits: restricts the student from certain areas or facilities.
- O. Residence Hall Suspension: separation of the student from the residence halls for a definite period of time, after which the student is eligible to return. Conditions for readmission may be specified. Suspended students are restricted from visiting or entering any residential facility operated by the College during the period of separation. When suspended from the residence halls, students should be aware that they may forfeit their residence hall deposits and fees subject to any refund policies.
- P. Suspension: the student or student organization's status is temporarily terminated and all privileges are removed for a specified period. Students who are suspended may not be on campus, enter College facilities, or participate in College activities either on or off the campus for a designated period of time. Any suspended student found in violation is subject to arrest for trespassing. Tuition and fees will not be refunded to students who are suspended from the College. On return, the student must apply for readmission to the Dean of Students. Special conditions affecting eligibility for readmission or conditions to be in effect upon readmission may be designated upon request for readmission.
- Q. Suspension without Option to Return: the student is suspended permanently and may not be on campus for anything except official business. The student must notify Security and the Dean of Students prior to entering campus. Any suspended student who violates this prohibition will be subject to arrest for trespassing.
- R. Expulsion: permanent dismissal from the College. There is no refund of tuition, room, board, or fees to students who are expelled. Any expelled student found in violation is subject to arrest for trespassing. Students who have been expelled from school must leave the campus within the period of time specified

by the Dean of Students or designee. Students who do not leave the campus within the allotted time or do not obtain written permission from the Dean of Students to remain on campus will be prosecuted.
