SATISFACTORY ACADEMIC POLICY (SAP)

Louisiana College is required by federal regulations (Sections 668.16(e), 668.32(f) and 668.34) to establish minimum standards to determine a student’s eligibility for federally funded financial aid programs. These programs include Federal Grants, Federal-Work Study, and Direct Loans (including Plus). These SAP standards apply to all students, including transfer, re-entry, and continuing, regardless of whether or not they previously received aid. These standards are applicable to all students attending Louisiana College.

This institution requires its students to maintain Satisfactory Academic Progress (SAP) as established by Louisiana College, in order to continue to matriculate at the school and to continue to be eligible to participate in the federal government’s Title IV financial aid programs. These standards apply to all students, regardless of the source of the student’s funding, and to all students, regardless of their enrollment status (full-time, three-quarter time, part-time or less than ½ time).

**Transfer students:** SAP will be reviewed before aid is initially awarded to a transfer student and then reviewed along with all students at the end of each semester. Transfer students must have earned at least 67% of total hours attempted and have the appropriate cumulative GPA.

If the student is accepted into Louisiana College without meeting SAP guidelines then the student will automatically be placed on Financial Aid Warning status for the semester they enroll and then their progress will be measured in subsequent semesters along with other students.

**GPA (Qualitative)**

The minimum GPA required at the end of each reporting period (semester) is as follows: All students must earn at least a “C” average which is a 2.0 grade point average at the end of their sophomore year. The grade point average scale is as follows: 4.0 = A, 3.0 = B, 2.0 = C, 1.0 = D and 0.9 or below = F.

<table>
<thead>
<tr>
<th>Status</th>
<th>Min. Cum. GPA</th>
</tr>
</thead>
<tbody>
<tr>
<td>Freshman: 1-25 hours earned</td>
<td>1.5</td>
</tr>
<tr>
<td>Sophomore: 26-59 hours earned</td>
<td>1.75</td>
</tr>
<tr>
<td>Junior &amp; Senior</td>
<td>2.0</td>
</tr>
<tr>
<td>Graduate**</td>
<td>3.0</td>
</tr>
</tbody>
</table>

**The M.A. in Pastoral Ministry minimum GPA shall be 2.5 all other graduate level degrees shall be 3.0**

At the end of each semester, the Registrar’s Office will provide the Financial Aid Office with a list of students, attempted hours, completed hours, and cumulative GPA. This will be used to determine a student’s SAP. Academic progress will continue to be reviewed at the end of each academic semester to determine future financial eligibility.

**Pace of Progression (Quantitative)**

For a student to be considered progressing normally, the student’s ratio of earned hours to attempted hours (or pace toward degree completion) must be no less than as shown on the following table:

<table>
<thead>
<tr>
<th>Status</th>
<th>Cum./Semester Earn. Hrs</th>
</tr>
</thead>
<tbody>
<tr>
<td>Freshman: 1-25 hours earned</td>
<td>67%</td>
</tr>
<tr>
<td>Sophomore: 26-59 hours earned</td>
<td>67%</td>
</tr>
<tr>
<td>Junior &amp; Senior</td>
<td>67%</td>
</tr>
<tr>
<td>Graduate</td>
<td>67%</td>
</tr>
</tbody>
</table>

**Maximum Timeframe (Quantitative)**

To quantify academic progress, a school must set a maximum time frame in which a student is expected to complete a degree. For undergraduate and graduate programs, the maximum time frame can’t exceed 150% of the published length of the program measured in credit hours attempted.
The majority of undergraduate programs require 120 hours for graduation. The maximum time frame for students in these programs is 180 attempted hours (120 x 1.5 = 180). Students whose programs require more than 120 hours for a degree will have a higher limit.

The following courses count as attempted but do not count as completed units in the SAP calculation:
- Incomplete
- Failed
- Withdrawn
- More than one repeat of any course

Double Majors: Students who receive permission to pursue a double major/minor will normally be expected to complete all degree requirements before reaching the maximum hours allotted.

Change in Majors: Students who change their majors will normally be expected to complete all degree requirements before reaching the maximum hours allotted.

Students are allowed to change their major but must note that any changes do affect their eligibility for federal student aid. The main part being affected will be the credit hour eligibility as all credits that have been attempted so far will be counted regardless of whether those credit hours were funded or not. For example if a student is majoring in a program that needs 33 credit hours to complete and has attempted 28 credit hours then decides to enroll in a program that needs only 18 credit hours his/her eligibility would be exhausted because the student’s attempted hours would have exceeded the 150% eligibility of 27 credits for the 18 credit hour program.

2nd Bachelor’s Degree: A student who has already been awarded a bachelor’s degree may apply for a second degree; however, they must complete all degree requirements before reaching the maximum hours allotted. Please remember that students who have already obtained one bachelor’s degree are no longer eligible for Federal Pell or SEOG grants. In addition the federal aggregate loan limits are not increased for students working on a 2nd bachelor’s degree.

Developmental/Remedial Courses: Are counted as hours attempted and, if successfully completed, as hours earned.

Louisiana College offers non-credit remedial courses in Math and English. Generally, these courses are numbered 100 or lower. These courses do not count as credit toward a student’s certificate or Associate Degree program. The credit hours from these courses will count against a student’s hours attempted and will be factored into the student’s 150% eligibility and grade point average.

Early Start (Dual Enrollment): High school students taking college courses will have their courses evaluated when matriculating at Louisiana College. If a student’s college level courses fail to meet the minimum SAP standards, he/she will be placed on Financial Aid Warning for the semester they next enroll.

Following is an example of how an undergraduate student does not meet timeframe standards:
This student, whose program requires 120 hours toward graduation, has accumulated 190 hours, thus exceeding the 150% maximum timeframe:

<table>
<thead>
<tr>
<th>Degree Credit Requirements</th>
<th>150%</th>
<th>Cumulative</th>
<th>SAP Status</th>
</tr>
</thead>
<tbody>
<tr>
<td>120</td>
<td>180</td>
<td>190</td>
<td>Not Met</td>
</tr>
</tbody>
</table>

SAP Status
Our policy outlines the following procedures for students who do not meet SAP at the end of the semester. We will review SAP at the end of each payment period (fall, spring, summer).

If a student fails to meet SAP at the end of the academic semester they will be placed on Financial Aid Warning and will receive a letter from the Financial Aid Office stating their eligibility status and requirements. If a student fails to meet SAP at the end of the academic semester while on a Financial Aid Warning, they will be then placed on ACADEMIC Probation with a loss of Title IV and will then receive a letter from the Financial Aid Office stating their eligibility status, what the student must do to regain eligibility and the process to appeal if applicable

I certify that I have read and understand the Satisfactory Academic Progress Policy. By signing below, I also certify that all information provided by myself on this application is true and accurate to the best of my knowledge.

Total requested loan amount: $____________________________

Subsidized and Unsubsidized amounts will be determined by Financial Aid Counselor based on eligibility. All loans are subject to processing fees of up to 3.5% of the loan total.

Requested loan period:

______Summer Only

All Student Loans are now processed through Direct Loan. The lender is the U.S. Department of Education rather than a bank or other financial institution.

LC participates in electronic transfer (ETF) of loan proceeds. I authorize the school to transfer loan proceeds received by EFT to my student account.

PARENTS

To apply for a parent plus loan please visit www.studentloans.gov and sign in with your parent FAFSA pin number, then simply apply for a parent plus loan. After applying we will receive notice of the credit decision (approval or denial) within two business days. Please be sure you indicate the amount you are requesting during the application process. Based on your student’s remaining budget we may or may not be able to apply the full amount for which you are approved.

Louisiana College does not receive your credit details at any point during the process simply an approval or denial.

After applying please complete the parent plus master promissory note on the same website.
If you are applying for a student loan the next step is…

- Go to www.studentloans.gov

- Sign in with your information and FAFSA Pin number

- Complete the Entrance Counseling

- Complete a Master Promissory Note (MPN) for a subsidized/unsubsidized loan

- Notify the Financial Aid Office when you have completed both the Entrance Counseling and the MPN.

If your parent is applying for a Parent Plus loan the next step is….

1. Go to www.studentloans.gov

2. Sign in with parent personal information and Parent FAFSA pin number

3. Click “Request a Direct PLUS Loan”

4. Complete PLUS application with a specified amount

   • Complete the Master Promissory Note for the Parent Plus Loan

   • Notify the Financial Aid Office when you are done

   • If you have any questions during the process, call Direct Loan at 1-800-557-7394

After applying we will receive notice of the credit decision (approval or denial) within two business days. Please be sure you indicate the amount you are requesting during the application process. Based on your student’s remaining budget we may or may not be able to apply the full amount for which you are approved.

Louisiana College does not receive your credit details at any point during the process, simply an approval or denial.
